(cf. 4131 - Staff Development)
(cf. 4131.1 - Teacher Support and Guidance)

Priorities for Hiring Based on Unavailability of Credentialed Teacher

The Superintendent or designee shall make reasonable efforts to recruit a fully prepared teacher for each assignment. Whenever a teacher with a clear or preliminary credential is not available, the Superintendent or designee shall make reasonable efforts to recruit an individual for the assignment in the following order: (Education Code 44225.7)

1. A candidate who enrolls in an approved intern program in the region of the district and possesses an intern credential
2. A candidate who is scheduled to complete preliminary credential requirements within six months and who holds a provisional internship permit (PIP) or short-term staff permit issued by

The Board shall approve, as an action item at a public Board meeting, a notice of its intent to employ a PIP applicant for a specific position. (5 CCR 80021.1)

3. An individual who holds an emergency permit or for whom a credential waiver has been granted by the CTC

Prior to requesting that the CTC issue an emergency permit pursuant to item #3 above or a limited assignment permit which allows a fully credentialed teacher to teach outside of his/her area of certification while working toward an added or supplementary authorization, the Board shall annually approve a Declaration of Need for Fully Qualified Educators. The Declaration of Need shall be approved by the Board as an action item at a regularly scheduled public Board meeting, with the entire Declaration of Need being included in the Board agenda. (Education Code 44225, 44225.7; 5 CCR 80023.2, 80026, 80027, 80027.1)

The Declaration of Need shall certify that there is an insufficient number of certificated persons who meet the district's specified employment criteria for the position(s) and that the district has made reasonable efforts to recruit individuals who meet the qualifications specified in items #1-2 above. The Declaration of Need shall also indicate the number and type of emergency permits that the district estimates it will need during the valid period of the Declaration of Need, based on the previous year's actual needs and projections of enrollment. Whenever the actual number of permits needed exceeds the estimate by 10 percent, the Board shall revise and resubmit the Declaration of Need. (5 CCR 80026)

Whenever it is necessary to employ noncredentialed teachers to fill a position requiring certification qualifications, the Superintendent or designee shall provide support and guidance in accordance with law to ensure the quality of the instructional program.

The Superintendent or designee shall inform all teachers about the program and how to acquire the necessary application and information materials. In accordance with the collective bargaining agreement and the district budget, the Superintendent or designee may provide release time, fee support, a stipend upon completion, or other support to teachers participating in the program.

(cf. 4161.3 - Professional Leaves)

Parental Notifications

At the beginning of each school year, the Superintendent or designee shall notify the parents/guardians of each student attending a school receiving Title I funds that they may request information regarding the professional qualifications of their child's classroom teacher including, but not limited to, whether the teacher: (20 USC 6312)

1. Has met state qualification and licensing criteria for the grade levels and subject areas in which the teacher provides instruction
2. Is teaching under emergency or other provisional status through which state qualification or licensing criteria have been waived
3. Is teaching in the field of discipline of his/her certification

(cf. 5145.6 - Parental Notifications)

full-time classroom teaching experience.

3. The district shall assist the permit holder in developing a personalized plan through a district-selected assessment that would lead to subject-matter competence related to the permit.
4. The district shall assist the permit holder to seek and enroll in subject-matter training, such as workshops or seminars and site-based courses, along with training in test-taking strategies, and shall assist the permit holder in meeting the credential subject-matter competence requirement related to the permit.
5. A notice of intent to employ the applicant in the identified position has been made public.

The district shall submit a copy of the agenda item presented at a public Governing Board meeting which shall state the name of the applicant, the assignment in which the applicant will be employed including the name of the school, subject(s), and grade(s) that he/she will be teaching, and that the applicant will be employed on the basis of a PIP. The district also shall submit a signed statement from the Superintendent or designee that the agenda item was acted upon favorably.

The holder of a PIP may be assigned to provide the same service as a holder of a multiple subject, single subject, or education specialist credential in accordance with the authorizations specified on the permit. (5 CCR 80021.1)

Teaching Permit for Statutory Leave

Whenever there is an anticipated need for the district to temporarily fill the teaching assignment of a teacher of record who will be on sick leave, differential sick leave, industrial accident or illness leave, pregnancy disability leave, or family care and medical leave under the federal Family and Medical Leave Act or California Family Rights Act, the Superintendent or designee may request that the CTC issue a Teaching Permit for Statutory Leave (TPSL) to a qualified individual who will be serving as the interim teacher of record. Prior to submitting an application to the CTC, the district shall provide the applicant with 45 hours of preparation in the content areas listed in 5 CCR 80022. (5 CCR 80022)

(cf. 4161.1 - Personal Illness and Injury Leave)

(cf. 4161.11 - Industrial Accident/Illness Leave)

(cf. 4161.8 - Family Care and Medical Leave)

A request for the TPSL shall only be submitted if the district has made reasonable efforts to hire a substitute with a full teaching credential that matches the setting and/or subject for the statutory leave position and no such candidate is available. (5 CCR 80022)

The district shall verify to the CTC that it will provide the interim teacher: (5 CCR 80022)

1. An orientation to the assignment before or during the first month of service in the statutory leave assignment
2. An average of two hours of mentoring, support, and/or coaching per week through a system of support coordinated and/or provided by a mentor who possesses a valid life or clear credential that would also authorize service in the statutory leave assignment
3. Lesson plans for the first four weeks of the assignment as well as continued assistance in the development of curriculum, lesson planning, and individualized education programs

The holder of the TPSL may serve as the interim teacher of record for up to the full length of the leave(s) during the school year. (5 CCR 80022)

The Superintendent or designee shall maintain documentation on the assignment in accordance with 5 CCR 80022. He/she shall annually report data on the use of the TPSL to the County Superintendent of Schools for assignment monitoring pursuant to Education Code 44258.9. (5 CCR 80022)

(cf. 4113 - Assignment)

The Superintendent or designee may annually request renewal of the TPSL, provided that no substitute with a full teaching credential is available for the assignment. The application for each reissuance shall include verification that the interim teacher has completed an additional 45 hours of preparation and the district is continuing to provide mentoring in accordance with items #2-3 above. (5 CCR 80022)

Long-Term Emergency Permits

As necessary, the Superintendent or designee may request that the CTC issue an emergency resource specialist permit, emergency teacher librarian services permit, emergency crosscultural language and academic development permit, or emergency bilingual authorization permit. The Superintendent or designee may vary the nature, content, and duration of the orientation to match the amount of training and experience previously completed by the emergency permit teacher. The orientation shall include, but not be limited to, the curriculum the teacher is expected to teach and effective techniques of classroom instruction and classroom management at the assigned grade-level span. The emergency permit holder also shall receive guidance and assistance from an experienced educator who is a certificated district employee or a certificated retiree from a California district or county office of education and who has completed at least three years of full-time classroom teaching experience. (5 CCR 80026.5)

The Statement of Need shall describe the situation or circumstances that necessitate the use of a 30-day substitute permit holder and state either that a credentialed person is not available or that the available credentialed person does not meet the district's specified employment criteria. Memorandum of Understanding

Before interns employed by the district assume daily teaching responsibilities, a signed memorandum of understanding shall be in place between the district and the partner college/university detailing the support and supervision that will be provided to interns. (5 CCR 80033)

(cf. 4112.2 - Certification)

The memorandum of understanding shall include, but not be limited to:

1. Specific responsibilities of the program supervisor
2. Qualifications, identification, terms of employment, roles and responsibilities, and training of individual(s) to provide on-site support to interns
3. Allocation of additional personnel, time, and resources for interns who have not yet earned an English learner authorization
4. Expectations regarding the type and frequency of support
5. The process of communication between the program supervisor and on-site support personnel
6. Documentation, monitoring, and evaluation of site support

The district may enter into an agreement to employ college/university staff to supervise interns and may pay for the supervision of interns out of district funds. Salary payments may be met by proportionately reducing the salaries of paid interns, provided that no more than eight interns are supervised by one staff member, the district salary normally paid to interns is not reduced by more than one-eighth, and the intern is not paid less than the minimum salary required by the state for a regularly certificated teacher. (Education Code 44461-44462)

Support and Supervision of Interns

The Superintendent or designee shall collaborate with the college/university teacher preparation

program to design structured guidance of interns, regular site-based support and supervision, and a sequence of supervised fieldwork that includes planned observations, consultations, reflections, and individual and small-group teaching opportunities.

(cf. 4131 - Staff Development)

(cf. 4131.1 - Teacher Support and Guidance)

Support and supervision provided to interns shall include the following: (Education Code 44830.3; 5 CCR 80033)

1. Professional Development Plan: The Superintendent or designee shall, in cooperation with the college/university, counsel each intern and, with the concurrence of the intern, shall develop a plan for the intern to complete the requirements to earn a credential in the content or specialty area(s) of the intern credential.

The plan shall include the components described in Education Code 44830.3, including, but not limited to, provisions for at least 120 clock hours (or the semester or quarter unit equivalent) of mandatory preservice training tailored to the grade level or class to be taught, additional instruction during the first semester or first year of service when required, and an annual evaluation of the intern.

2. Assignment of Mentor Teacher: Before an intern assumes daily teaching responsibilities, the Superintendent or designee shall assign him/her a mentor teacher who possesses a valid corresponding life or clear teaching credential and a minimum of three years of successful teaching experience.

The intern shall receive support from a mentor teacher who is assigned to the same school. If two or more mentor teachers are assigned to an intern, at least one of them shall be experienced in the curricular area(s) of the intern's assignment.

3. Support During School Year: Support and supervision shall include coaching, modeling, and demonstrating within the classroom. In addition, the intern shall receive assistance with course planning and with problem-solving regarding students, curriculum, and effective teaching methodologies.

Such support and supervision shall be provided for a minimum of 144 hours per school year or, for late hires, four hours multiplied by the number of instructional weeks remaining in the school year. At least two hours of support and supervision shall be provided every five instructional days.

4. Additional Support Addressing the Needs of English Learners: For any intern who enters the intern program without a valid English learner authorization, bilingual authorization, or crosscultural, language, and academic development certificate, the Superintendent or designee shall identify an individual who will be immediately available to assist the intern with planning lessons that are appropriately designed and differentiated for English learners, for assessing language needs and progress, and for support of language-accessible instruction through in-

classroom modeling and coaching as needed. This individual may be the same mentor identified in item #2 above, provided he/she possesses an English learner authorization and will be immediately available to assist the intern.

In addition, the district and college/university shall provide such interns with additional support and supervision, including in-classroom coaching, specific to the needs of English learners. Such support and supervision shall be provided for 45 hours per school year or, for late hires, five hours multiplied by the number of months remaining in the school year.

An intern who passes the California Teaching English Learners examinations may be exempted from these requirements.

(cf. 4112.22 - Staff Teaching English Language Learners)

Early Completion Option

The Superintendent or designee shall inform qualified interns preparing for a multiple or single subject credential of the early completion option which allows them to challenge certain requirements of the intern program in areas where they have demonstrated competence.

In order to complete the intern program early and be recommended for a preliminary credential, candidates shall meet all requirements of the intern credential and the additional assessments and coursework specified in Education Code 44468.

Oath Or Affirmation

AR 4112.3 4212.3, 4312.3

Personnel

This oath or affirmation is different from the oath or affirmation required of certificated employees as a licensing requirement pursuant to Education Code 44334, in which credential candidates must affirm that they support the Constitution of the United States of America, the Constitution of the State of California, and the laws of the United States and the State of California. Thus, the district should require all employees to take the oath or affirmation required by Government Code 3100-3102.

The California Constitution requires that Board members take the same oath; see BB 9224 - Oath or Affirmation.

All district employees are declared by law to be disaster service workers and thus shall take the oath or affirmation required for disaster service workers before beginning employment with the district. In the event of natural, manmade or war-caused emergencies which result in conditions of disaster or extreme peril to life, property and resources, all district employees are subject to disaster service activities as assigned to them by their supervisors or by law. (Government Code 3100-3102)

(cf. 3516 - Emergencies and Disaster Preparedness Plan)
(cf. 9224 - Oath or Affirmation)

Legally employed noncitizens shall be exempt from taking this oath. (Government Code 3101)

At the advice of legal counsel, the Superintendent or designee may exempt an employee from taking the oath if he/she raises a valid religious objection.

The Superintendent, deputy or assistant superintendent, principal or other person authorized in Education Code 60 shall administer the oath or affirmation when a district employee is hired.

In the case of intermittent, temporary, emergency or successive employments, the

Superintendent or designee may determine that the oath shall be effective for all successive periods of employment which begin within one calendar year from the date that the oath was subscribed. (Government Code 3102)

(cf. 4121 - Temporary/Substitute Personnel)

The Superintendent or designee shall file the executed oath or affirmation within 30 days of the

date on which it is taken and subscribed. An employee's oath or affirmation may be destroyed five years after the termination of employment. (Government Code 3105)

Reimbursement of Expenses for Disaster Service Workers

Whenever an employee seeks compensation or reimbursement of expenses as a disaster service worker, the Superintendent or designee shall ascertain and certify that the employee has taken the oath or affirmation. (Government Code 3107)

Tuberculosis Tests

No applicant shall be initially employed by the district, or employed under contract, in a classified or certificated position unless he/she has submitted to a tuberculosis risk assessment within the past 60 days and, if tuberculosis risk factors are identified, has submitted to an intradermal or other approved tuberculosis examination to determine that he/she is free of infectious tuberculosis. If the results of the examination are positive, the applicant shall obtain an x-ray of the lungs. At his/her discretion, an applicant may choose to submit to the examination instead of the risk assessment. (Education Code 49406)

(cf. 1240 - Volunteer Assistance)

(cf. 4112 - Appointment and Conditions of Employment)

(cf. 4119.41/4219.41/4319.41 - Employees with Infectious Disease)

(cf. 4212 - Appointment and Conditions of Employment)

Prior to employment by the district, an applicant shall submit a certificate from an authorized health provider stating that the applicant was assessed and/or examined and found to be free of infectious tuberculosis. (Education Code 49406)

An applicant who was previously employed in another school district or private or parochial school shall be deemed to have fulfilled the tuberculosis testing requirement if he/she produces a certificate showing that he/she was found to be free of infectious tuberculosis within 60 days of initial hire or if his/her previous employer verifies that it has a certificate on file showing that the applicant is free from infectious tuberculosis. (Education Code 49406)

Thereafter, each district employee who was found free of infectious tuberculosis shall undergo a tuberculosis risk assessment, and an examination whenever risk factors are identified, at least once every four years or more often when required by the Governing Board upon recommendation of the county health officer. However, once an employee has a documented positive test for tuberculosis infection followed by an x-ray, he/she shall no longer be required to submit to the tuberculosis risk assessment but shall be referred to the county health officer within 30 days of the examination to determine the need for follow-up care. (Education Code 49406)

The cost of the pre-employment tuberculosis risk assessment and/or examination shall be paid by the applicant, unless the Board has determined that the district will reimburse an applicant who is subsequently hired by the district. The district shall reimburse the employee for the cost, if any, of subsequent tuberculosis risk assessments and examinations. The district may provide for the

risk assessment and examination or may establish a reasonable fee for the examination that is reimbursable to the employee. (Education Code 49406)

Whenever the district contracts for the transportation of students, the contract shall require that all drivers who will be transporting students complete the tuberculosis risk assessment and, if indicated, the examination for infectious tuberculosis within 60 days of initial hire. (Education Code 49406)

(cf. 3312 - Contracts)

(cf. 3540 - Transportation)

(cf. 3542 - School Bus Drivers)

The following applicants or employees shall be exempted from the requirement to submit to a tuberculosis risk assessment and/or examination: (Education Code 49406)

1. An applicant/employee who files an affidavit stating that he/she adheres to the faith or teachings of a well-recognized religious sect, denomination, or organization and, in accordance with its creed, tenets, or principles, depends for healing upon prayer in the practice of religion and that, to the best of his/her knowledge and belief, he/she is free from infectious tuberculosis

Such an exemption shall be allowed only if the Board determines by resolution, after a hearing, that the health of students would not be jeopardized. If at any time there is probable cause to believe that the applicant/employee is afflicted with infectious tuberculosis, he/she may be excluded from service until the Board is satisfied that he/she is not afflicted.

(cf. 4030 - Nondiscrimination in Employment)

2. A classified employee who is employed for less than a school year and whose functions do not require frequent or prolonged contact with students

3. A pregnant employee who has positive results on a tuberculosis skin test, in which case she shall be exempted from the requirement to follow up with an x-ray of the lungs for a period not to exceed 60 days after the end of the pregnancy

4. A private contracted driver who transports students infrequently without prolonged contact with students

Examination of Certificated Employees for Disabling Diseases

To fill a certificated position with an applicant who has not previously been employed in a certificated position in California, or with a retirant who has not been employed as a retirant, the district shall have on file a medical certification indicating that the applicant or retirant is free from any disabling disease which would render him/her unfit to instruct or associate with children. (Education Code 44839, 44839.5)

(cf. 4117.14/4317.14 - Postretirement Employment)

The certificate shall be completed and submitted directly to the district by an authorized health care provider. The medical examination referenced in the certificate must have been conducted within six months of the date that the certificate is filed. (Education Code 44839, 44839.5; 5 CCR 5503)

Applicants and retirants shall pay for the cost of obtaining the medical certification. (Education Code 44849, 44839.5)

Certificated employees and/or retirants shall be required to periodically undergo, at district expense, a medical examination pursuant to Education Code 44839 or 44839.5 to determine that they are free from any communicable disease making them unfit to instruct or associate with children. (Education Code 44839, 44839.5)

Mental Examination for Certificated Employees

Whenever the Board is considering the suspension or transfer of a certificated employee based on its reasonable belief that the employee is suffering from mental illness of such a degree as to render him/her incompetent to perform his/her duties, the employee shall be offered the opportunity of being examined by a three-member panel of psychiatrists and psychologists in accordance with Education Code 44942. The employee shall select the members of the panel from a list of psychiatrists and psychologists provided by the district. The examination shall be conducted, at district expense, within 15 days of the ordered suspension or transfer. The employee shall submit to the examination, but shall also be entitled to present a report of any psychiatrist, psychologist, or physician of his/her own choice. (Education Code 44942)

Because students and staff have the right to a safe and secure campus where they are free from physical and psychological harm, the Board authorizes the testing of prospective employees in safety-sensitive positions for drug and alcohol use.

Once a conditional offer of employment has been made, prospective employees in these identified positions shall undergo a pre-employment drug and alcohol screening for any substance which could impair their ability to safely and effectively perform their job functions. This screening shall be part of the employee's pre-employment physical examination.

Final selection of a job applicant for a position shall not be made until the applicant has successfully completed the screening.

All testing and medical examinations shall be conducted in accordance with state and federal law, Board policy, and administrative regulation.

Pre-Employment Drug/Alcohol Screening for Safety-Sensitive Positions

Applicants shall sign a form consenting to the drug and alcohol testing. The consent form shall authorize release of the test results to the district. To ensure an individual's privacy, the district shall not use test results for any purpose other than those stated in Board policy and administrative regulation, shall maintain the confidentiality of screening records, and shall not disclose such records unless the applicant consents or the Superintendent or designee is presented with a court order requiring the disclosure.

All initial screening tests shall be conducted at the district's expense. If an applicant's initial test is positive, a second test, at the district's expense, shall be administered as soon as possible to confirm the results. Upon obtaining a second positive result, the applicant may seek an independent drug and alcohol screening from a recognized medical laboratory at his/her own expense. Any applicant who fails to provide the district with a negative drug and alcohol screening report within five working days of a confirmed positive result shall be determined to have failed the screening and shall not be employed.

Failure to submit to the process or to complete the process shall preclude the applicant from being hired into the position. Disqualified applicants shall not be prohibited from applying for another job within the district.

Drug And Alcohol Testing For School Bus Drivers

BP 4112.42 4212.42, 4312.42

Personnel

The Governing Board desires to ensure that district-provided transportation is safe for students, staff, and the public. To that end, the Superintendent or designee shall establish a drug and alcohol testing program designed to prevent the operation of buses or the performance of other safety-sensitive functions by a driver who is under the influence of drugs or alcohol, including a driver of a school bus, student activity bus, or other school transportation vehicle or any other employee who holds a commercial driver's license which is necessary to perform duties related to district employment.

(cf. 3540 - Transportation)

(cf. 3542 - School Bus Drivers)

(cf. 3543 - Transportation Safety and Emergencies)

(cf. 4020 - Drug and Alcohol-Free Workplace)

(cf. 4112.41/4212.41/4312.41 - Employee Drug Testing)

A driver shall not report for duty or remain on duty when he/she has used any drug listed in 21 CFR 1308.11. A driver is also prohibited from reporting for duty or remaining on duty when he/she has used any drug listed in 21 CFR 1308.12-1308.15, unless he/she is using the drug under the direction of a physician who has advised him/her that the substance will not adversely affect the driver's ability to safely operate a bus. In addition, a driver shall not consume alcohol while on duty or for four hours prior to on-duty time. (49 CFR 382.201-382.209, 382.213)

The district's testing program for drivers shall include pre-employment drug testing and reasonable suspicion, random, post-accident, return-to-duty, and follow-up drug and alcohol testing of drivers. (49 USC 31306; 49 CFR 382.301-382.311)

The Board shall contract for testing services upon verifying that the personnel are appropriately qualified and/or certified and that testing procedures conform to federal regulations.

Except as otherwise provided by law, the Superintendent or designee shall not release individual test results or medical information about a driver to a third party without the driver's specific written consent. (49 CFR 40.321)

Consequences Based on Test Results

Any driver who refuses to take a required drug or alcohol test, tests positive for drugs, or is found to have a blood alcohol concentration level that exceeds the levels specified in law shall be

removed from performing safety-sensitive functions in accordance with 49 CFR 40.23 and 382.211.

No driver shall be temporarily removed from the performance of safety-sensitive functions based only on a laboratory report of a confirmed positive test before the certified medical review officer has completed verification of the test results, unless the district has obtained a waiver. (49 CFR 40.21, 382.107, 382.119)

Not later than five days after receiving notification of the test result or refusal to comply, the Superintendent or designee shall report any refusal, failure to comply, or positive test result to the California Department of Motor Vehicles (DMV) using a form approved by the DMV. (Vehicle Code 13376)

Any driver who refuses, fails to comply, or has a positive test result may be referred to an education and treatment program that meets the requirements of 49 CFR 40.281-40.313. If the substance abuse professional recommends that ongoing services are needed to assist the driver to maintain sobriety or abstinence from drug use, the Superintendent or designee shall require the driver to participate in the recommended services as part of a return-to-duty agreement and shall monitor his/her compliance. Any drop from a rehabilitation or return-to-duty program or a subsequent positive test result shall be reported to the DMV. (Vehicle Code 13376; 49 CFR 40.285, 40.287, 40.303, 382.605)

(cf. 4118 - Dismissal/Suspension/Disciplinary Action)

(cf. 4218 - Dismissal/Suspension/Disciplinary Action)

Voluntary Self-Identification

Whenever a driver admits to alcohol or drug misuse under the district's voluntary self-identification program, the Superintendent or designee shall ensure all of the following: (49 CFR 382.121)

1. No adverse action shall be taken against the driver by the district.
2. The driver shall be allowed sufficient opportunity to seek evaluation, education, or treatment to establish control over his/her drug or alcohol problem.

3. The driver shall be permitted to participate in safety-sensitive functions only after:
 - a. Successfully completing an education or treatment program, as determined by a drug and alcohol abuse evaluation expert, such as an employee assistance professional, substance abuse professional, or qualified drug and alcohol counselor
 - b. Undergoing a return-to-duty test with a result indicating an alcohol concentration of less than 0.02 and/or a verified negative result for drug use

A driver who admits to alcohol or drug misuse shall not be subject to federal requirements related to referral, evaluation, and treatment, provided that he/she does not self-identify in order to avoid drug or alcohol testing, makes the admission prior to performing a safety-sensitive function, and does not perform a safety-sensitive function until he/she has been evaluated and has successfully completed education or treatment requirements in accordance with program guidelines. Drug And Alcohol Testing For School Bus Drivers

AR 4112.42

Personnel

Definitions

For purposes of drug testing required by the U.S. Department of Transportation (DOT), drugs included in the tests are marijuana, cocaine, amphetamines, phencyclidine (PCP), and opiates. (49 CFR 40.3, 40.85, 382.107)

Alcohol concentration or level means the alcohol in a volume of breath expressed in terms of grams of alcohol per 210 liters of breath. For purposes of the DOT alcohol testing program, an alcohol level between 0.02 and 0.04 requires removal of the bus driver for a 24-hour period following the test. An alcohol level of 0.04 or higher requires immediate removal of the driver from performing safety-sensitive functions until the driver has successfully completed the return-to-duty process. (49 CFR 382.107, 382.201, 382.505)

Safety-sensitive function means all time from the time a driver begins to work or is required to be in readiness to work until the time he/she is relieved from work and all responsibility for performing work. Safety-sensitive functions include, but are not limited to, all time driving or otherwise in the bus; waiting at a district facility to be dispatched; inspecting, servicing, or conditioning the bus or bus equipment; loading or unloading the bus; supervising or assisting in the loading or unloading of the bus; and repairing, obtaining assistance, or remaining in attendance upon a disabled bus. (49 CFR 382.107)

(cf. 3540 - Transportation)

(cf. 3542 - School Bus Drivers)

(cf. 3543 - Transportation Safety and Emergencies)

(cf. 4020 - Drug and Alcohol-Free Workplace)

Designated Employer Representative

The Superintendent or designee shall identify a designated employer representative and shall provide his/her name and telephone number to the testing contractor to contact about any problems or issues that may arise during the testing process. (49 CFR 40.35, 40.215)

The designated employer representative shall be responsible for receiving test results and other communications, taking immediate action(s) to remove drivers from safety-sensitive functions, and making other required decisions in the testing and evaluation processes. (49 CFR 40.3)

Pre-employment Testing

When hiring a new driver, the Superintendent or designee shall, with the driver's written consent, request the driver's past drug and alcohol testing record, as specified in 49 CFR 40.25, from any employer who has employed the driver at any time during the previous two years. In addition, the Superintendent or designee shall ask the driver if he/she tested positive, or refused to test, on any pre-employment drug or alcohol test that was administered during the past two years in the course of applying for another safety-sensitive transportation position that he/she did not obtain. The driver shall not be permitted to perform safety-sensitive functions if he/she refuses to provide consent to obtain the information from previous employers, the information from previous employers is not received within 30 days of the date on which the driver first performed safety-sensitive functions for the district, or the driver or a previous employer reports a violation of a drug or alcohol regulation without subsequent completion of the return-to-duty process. (49 CFR 40.25, 382.413)

Upon making a contingent offer of employment to a driver and prior to the first time the driver performs safety-sensitive functions for the district, the Superintendent or designee shall require the driver to undergo testing for drugs and to receive a verified negative test result. This testing requirement may be waived if all of the following conditions exist: (49 CFR 382.301)

1. The driver has participated in a qualified drug testing program within the previous 30 days.
2. While participating in the program, the driver either was tested within the past six months or participated in a random drug testing program for the previous 12 months.
3. The Superintendent or designee has contacted the testing program(s) in which the driver has participated and has obtained information about the program and the driver's participation as specified in 49 CFR 382.301.
4. No prior employer of the driver of whom the district has knowledge has records of the driver's violation of federal drug testing regulations within the previous six months.

In addition, the Superintendent or designee shall require the driver to undergo pre-employment alcohol testing in accordance with the procedures in 49 CFR 40.1-40.605 and to receive a test result indicating an alcohol concentration level of less than 0.04. (49 CFR 382.301)

Post-Accident Testing

As soon as practicable following an accident involving a school bus or student activity bus, the Superintendent or designee shall ensure that the driver involved is tested for alcohol and/or drugs under either of the following conditions: (49 CFR 382.303)

1. The accident involved loss of human life.
2. The driver receives a citation for a moving violation and the accident involved bodily injury to a person who required immediate medical treatment away from the scene of the accident and/or

disabling damage to one or more vehicles requiring towing.

The Superintendent or designee shall attempt to administer a required alcohol test up to eight hours following the accident and/or a drug test up to 32 hours following the accident. The results of an alcohol or drug test conducted by federal, state, or local officials having independent authority for the test shall be considered to meet this requirement. If the alcohol test is not administered within two hours following the accident, or the test for drugs is not administered within 32 hours following the accident, the Superintendent or designee shall make a record stating the reasons the test was not promptly administered. (49 CFR 382.303)

Random Testing

The Superintendent or designee shall ensure that random, unannounced drug and alcohol tests of bus drivers are conducted on testing dates reasonably spread throughout the year. Such tests shall be conducted during, immediately before, or immediately after the performance of safety-sensitive functions. (49 CFR 382.305)

The Superintendent or designee shall ensure that the percentage of district drivers randomly tested for drugs and alcohol meets or exceeds the minimum annual percentage rates specified in 49 CFR 382.305 or subsequently published in the Federal Register.

Each driver selected for random testing shall have an equal chance of being tested each time selections are made. (49 CFR 382.305)

Each driver who is selected for testing shall proceed to the test site immediately or, if performing a safety-sensitive function other than driving a bus, then as soon as possible after ceasing that function. (49 CFR 382.305)

Reasonable Suspicion Testing

A driver shall be required to submit to a drug or alcohol test whenever the Superintendent or designee has reasonable suspicion that the driver has violated the prohibitions against the use of drugs or alcohol. Such reasonable suspicion shall be based on specific, contemporaneous, articulable observations, conducted during, immediately before, or immediately after the performance of safety-sensitive functions, concerning the driver's appearance, behavior, speech, and/or body odors. Reasonable suspicion of drug use may also include indications of the chronic and withdrawal effects of drugs. (49 CFR 382.307)

The driver shall not resume performance of safety-sensitive functions unless the drug test shows a negative result and/or the alcohol test shows a concentration of less than 0.02. (49 CFR 40.305, 382.309)

Follow-Up Testing

Upon receiving a written follow-up testing plan from a substance abuse professional, the Superintendent or designee shall determine the actual dates for follow-up testing consistent with those recommendations and shall ensure that such tests are unannounced and follow no discernable pattern as to their timing. No additional tests beyond those included in the plan shall be imposed by the district. (49 CFR 40.307-40.309, 382.111)

Assignments approved by the committee shall be for a maximum of one school year, but may be extended by action of the committee upon application by the principal and teacher. (Education Code 44258.7)

Temporary Modified/Light-Duty Assignment

Personnel

The Governing Board recognizes that, when employees have temporarily disabling medical conditions, temporary modified or light-duty assignments can allow the district to continue to use their valuable knowledge, skills, and abilities while minimizing time away from work. Temporary modified/light-duty assignments may also serve to facilitate the employee's transition back to his/her regular duties or full-time work.

(cf. 3530 - Risk Management/Insurance)

(cf. 4157.1/4257.1/4357.1 - Work-Related Injuries)

(cf. 4161.8/4261.8/4361.8 - Family Care and Medical Leave)

(cf. 4261.8 - Industrial Accident/Illness Leave)

Any employee may request a modified or light-duty assignment when he/she has a temporary medical condition which prevents the performance of the essential functions of his/her current assignment or position. The Superintendent or designee shall determine, on a case-by-case basis, whether a suitable temporary position currently exists to accommodate the physical restrictions specified by the employee's medical provider.

(cf. 4032 - Reasonable Accommodation)

An employee's initial assignment to a temporary modified or light-duty position shall be for a limited duration, not to exceed 30 days. At the end of the initial assignment, the employee may request that the Superintendent or designee extend the assignment. When requesting any such extension of a modified position, the employee shall submit documentation from his/her medical provider verifying that the employee is still temporarily disabled and is not medically able to return to his/her regular assignment. Temporary assignments generally shall not exceed 90 days, but may be extended at the discretion of the Superintendent or designee for an additional 90 days upon verification by the employee's medical provider that such an extension will allow the employee to return to unrestricted regular duties.

An employee who rejects a temporary modified/light-duty assignment may be subject to a loss of workers' compensation benefits in accordance with district's insurance policy.

Preretirement Part-Time Employment

AR 4117.11 4317.11

Personnel

When the Governing Board has adopted the reduced workload program, any certificated employee may reduce his/her workload from full time to part time in accordance with applicable law, district regulations, and collective bargaining agreement.

Any such certificated employee who is a member of the defined benefit program of the California State Teachers' Retirement System (STRS) may continue to receive the service credits and maintain the retirement and health and welfare benefits that he/she would have received if employed on a full-time basis, provided the following conditions exist: (Education Code 22713, 44922)

(cf. 4154/4254/4354 - Health and Welfare Benefits)

1. The option to reduce the employee's workload shall be exercised at the request of the employee and the agreement to reduce the workload shall be in effect at the beginning of the school year.
2. Prior to the reduction in workload, the employee shall have a minimum of 10 years of credited service, of which the immediately preceding five years shall be full-time employment.
3. The employee shall not have had a break in service during the five years immediately preceding the reduction in workload. Sabbaticals, other approved leaves of absence, and unpaid absences from full-time employment for personal reasons shall not constitute a break in service. However, any period of time during which an employee is retired shall constitute a break in service and the employee shall be required to be employed to perform creditable service on a full-time basis for at least five school years preceding the workload reduction if he/she reinstates from retirement.

(cf. 4161.1/4361.1 - Personal Illness/Injury Leave)

4. The employee shall have reached the age of 55 years prior to the workload reduction.
5. The employee shall not hold a position with a salary above that of a school principal.
6. The reduced workload shall be equal to at least one-half of the time the district requires for full-time employment, in accordance with Education Code 22138.5, pursuant to the employee's contract of employment during his/her last year of full-time employment preceding

the reduction in workload.

7. The employee shall be paid compensation that is the pro rata share of the creditable compensation he/she would have earned had he/she not reduced his/her workload.

8. For each school year that the employee's workload is reduced, the district and/or employee shall make any payment or contribution necessary for the employee's retention of a benefit to which he/she is entitled if employed full time, in the same manner as if the employee were employed full time.

9. The agreement may be revoked only by mutual consent of the employee and the district.

However, an employee who has entered into a formalized agreement with the district to have his/her contribution into the defined benefit program paid (picked up) by the district may not terminate the agreement to reduce his/her workload except by one of the following:

a. Terminating his/her service

b. Retiring from service under the defined benefit program

c. Continuing to perform creditable service under a new reduced workload arrangement for at least one-half of the time the district requires for full-time employment in accordance with Education Code 22138.5

d. Returning to full-time employment

10. The period of the reduced workload shall not exceed 10 years.

Prior to the reduction of an employee's workload, the Superintendent or designee shall verify the employee's eligibility in conjunction with the administrative staff of STRS and/or the Public Employees' Retirement System. (Education Code 22713)

The Superintendent or designee shall maintain the necessary records to separately identify each employee who participates in the reduced workload program. (Education Code 22713)

After determining that it is in the best interest of the district, the Board may allow any certificated employee who is not eligible to reduce his/her workload pursuant to Education Code 22713 or 44922 to reduce his/her workload from full time to part time. Early Retirement Option

BP 4117.13

Personnel

When it is beneficial to the district, the Governing Board may offer certificated employees the option to retire early in accordance with law.

Two Years of Service Credit Retirement Incentive

As an incentive to early retirement for certificated employees participating in the State Teachers' Retirement System (STRS), the Board may offer such employees an additional two years of service credit. (Education Code 22714, 44929)

Before taking formal action to approve this service incentive, the Board shall determine that encouraging early retirement would be in the best interest of the district due to the curtailment of services or changes in the manner in which services are performed and that the retirement will result in a net savings to the district. The Board shall demonstrate and certify to the County Superintendent of Schools that the formal action taken would result in a net savings to the district. (Education Code 22714, 44929)

The Board may also consider the impact of the early retirement option on the staffing needs of district schools.

To be eligible for the two years of service credit option, the employee must have five or more years of service credit and must retire during a period of 60 to 120 days after the Board takes formal action to implement the option. (Education Code 22714)

In providing the early retirement option, the district shall meet all conditions as specified in Education Code 22714 and 44929.

Two + Two Retirement Incentive: 2 Years of Service Credit + 2 Years of Age Credit

As an incentive to early retirement for certificated employees participating in the State Teachers' Retirement System, the Board may offer an additional two years of service credit and two years of age credit to employees who retire within the "window period" established by the Board in a Memorandum of Understanding or by Board action prior to January 1, 2005 pursuant to repealed Education Code 22714.5.

Postretirement Employment

AR 4117.14
Personnel

When necessary, the Governing Board may hire a qualified retired certificated individual who possesses the knowledge and experience needed to perform creditable service for the district as an employee, the employee of a third party, or an independent contractor/consultant, provided that all applicable restrictions specified by the California State Teachers' Retirement System (CalSTRS) are met. Applicable CalSTRS restrictions include, but are not limited to, a requirement that a retired member be paid compensation comparable to that for active employees for comparable duties and prohibitions against the hiring of a retired member within 180 days of his/her retirement and for the classified service, except as an aide pursuant to Education Code 45134. Additional restrictions and rules may apply to other employment situations, such as when CalSTRS retired members are employed as employees of third parties, independent contractors, or consultants. The Superintendent or designee should consult legal counsel when dealing with such employment situations. (Education Code 22119.5, 22164.5, 24214, 24214.5)

(cf. 3600 - Consultants)
(cf. 4111/4211/4311 - Recruitment and Selection)
(cf. 4112 - Appointment and Conditions of Employment)

Any retired member of the defined benefit program of CalSTRS who is hired by the district to perform retired member activities as defined pursuant to Education Code 22164.5 shall be paid at an annualized rate of pay that shall not be below the minimum or exceed the maximum paid to other district employees performing comparable duties. However, such a retired individual shall not make contributions to the CalSTRS retirement fund or accrue service credit based on compensation earned from the retired member activity. (Education Code 24214)

No retired member of the CalSTRS defined benefit program shall be hired by the district for at least 180 calendar days after his/her retirement from service, unless he/she has attained the normal retirement age and qualifies for an exemption to the 180-day waiting period. To seek this exemption, the Board shall, during the open session of a Board meeting, adopt a resolution which shall include the following information and findings: (Education Code 24214.5)

1. A statement expressing the Board's intent to seek an exemption to the 180-day waiting period
2. A description of the nature of the employment of the retiree
3. A finding that the retiree has reached the normal retirement age

4. A finding that the appointment of the retiree is necessary to fill a critically needed position before the 180-day waiting period has passed

5. A finding that the retired individual did not receive additional service credit pursuant to Education Code 22714 or 22715 or any financial inducement to retire. Financial inducement to retire shall include, but is not limited to, cash or any form of compensation or other payment directly or indirectly paid by any public employer to the retired individual before or after his/her retirement, if the individual retires for service on or before a specific date or range of dates established by the public employer on or before the date the inducement is offered

6. A finding that the retired individual's termination of employment with the district is not the basis for the need to acquire the services of the retired individual

The resolution shall not be adopted through the Board's consent agenda. (Education Code 24214.5)

(cf. 9320 - Meetings and Notices)

When employing a retired individual who is eligible for exemption from the 180-day waiting period, the Superintendent or designee shall submit all required documentation to substantiate eligibility for the exemption to CalSTRS before the retired member begins performing any retired member activities. The Superintendent or designee may contact

CalSTRS to request information as to whether the retired member qualifies for the exemption after 30 days of submitting the required documentation to CalSTRS. (Education Code 24214.5)

Postretirement Compensation Limitation, Notice, and Report

All CalSTRS retirees performing creditable service for the district shall be subject to the applicable CalSTRS earnings limit. Monies earned in excess of the limit may subject the CalSTRS retiree to a reduction in his/her retirement allowance. Compensation subject to the earnings limitation includes, but is not limited to, salary or wages, deferred compensation plans, purchase of an annuity contract, tax-deferred retirement plan or insurance program, and other plans or contributions when the cost is covered by a district. (Education Code 22119.5, 22164.5, 24214)

Whenever the district retains the services of a CalSTRS retiree as a district employee, employee of a third party, or an independent contractor, the Superintendent or designee shall: (Education Code 22461, 24214)

1. Advise the retired individual of the postretirement earnings limitation or employment restriction set forth in Education Code 22714, 24214, or 24214.5 or any other applicable law

(cf. 4112.9/4212.9/4312.9 - Employee Notifications)

2. Maintain accurate records of the retired individual's compensation and report it monthly

to CalSTRS and the individual, regardless of the method of payment or the fund from which the payments are made

Resignation

BP 4117.2 4217.2, 4317.2

Personnel

Any district employee who desires to resign his/her position shall submit, in writing, a letter of resignation which indicates the date which the employee intends as his/her last day at work. The Governing Board encourages employees to provide advance notice that is appropriate for the position they hold.

The Board authorizes the Superintendent or designee to accept an employee's written resignation and to set its effective date. Once the Superintendent or designee has accepted and set an effective date for this resignation, the resignation may not thereafter be withdrawn by the employee.

The effective date of the resignation shall be a date not later than the close of the school year during which the resignation is received. However, an employee and the Board may agree that a resignation will be accepted at a mutually agreed upon date not later than two years beyond the close of the school year during which the resignation is received by the Board. Board Policy

Personnel Reduction

BP 4117.3
Personnel

The Governing Board may reduce the number of probationary and permanent certificated employees when, in its opinion, any of the following conditions makes such reduction necessary:

1. Average daily attendance (ADA) in all of the schools in the district during the first six months of the school year has declined below the level for the same period in either of the previous two school years. (Education Code 44955)
2. A particular kind of service is to be reduced or discontinued not later than the beginning of the following school year. (Education Code 44955)
3. Attendance in the district will decline in the following year as a result of the termination of an interdistrict tuition agreement. (Education Code 44955)
4. An amendment of state law requires modification of the curriculum. (Education Code 44955)
5. During the time period between five days after the enactment of the Budget Act and August 15 of that fiscal year, the Board determines that the district's total revenue limit per ADA for the fiscal year of that Budget Act has not increased by at least two percent. (Education Code 44955.5)

Determination of the Order of Layoffs

When it is necessary to reduce the number of certificated employees for any of the reasons listed above, the services of employees shall be terminated in the inverse of the order in which they were employed by the district in probationary status, except as otherwise authorized by law. (Education Code 44844, 44955)

The Superintendent or designee shall maintain the seniority list for this purpose and shall make it available upon request.

Unless otherwise provided by law, a permanent employee shall have the right to be retained over a probationary employee or any employee with less seniority if the position is one for which he/she is certificated and competent to render service. (Education Code 44955)

(cf. 4112.2 - Certification)
(cf. 4112.22 - Staff Teaching English Language Learners)

(cf. 4112.23 - Special Education Staff)
(cf. 4113 - Assignment)
(cf. 4116 - Probationary/Permanent Status)

To determine the order of termination between employees who first rendered paid service on the same date, the Board shall rank order those employees solely on the basis of the needs of the district and students. Upon the request of an employee whose order of termination is to be determined based on such ranking, the Board shall furnish the employee, no later than five days prior to the commencement of the administrative hearing on the layoff, a written statement of the specific criteria used in determining the order of termination and the application of the criteria in ranking the employee relative to the other employees in the group. (Education Code 44955)

The district may deviate from terminating certificated employees in order of seniority for either of the following reasons: (Education Code 44955, 44956)

1. To fill a demonstrated specific need for personnel to teach a specific course or courses of study, or to provide services authorized by a services credential with a specialization in either student personnel services or health for a school nurse, when the certificated employee has the necessary special training and experience which others with more seniority do not possess
2. To maintain or achieve compliance with constitutional requirements related to equal protection of the law

Notice and Hearing Rights

When it becomes necessary to reduce the number of permanent and/or probationary employees pursuant to Education Code 44955 as specified in items #1-4 above, the district shall give notice to the affected employees, no later than March 15, stating the reasons for the action and the employees' right to a hearing. The district shall adhere to the notice, hearing, and layoff procedures in Education Code 44949, 44955, and other applicable provisions of law.

(cf. 4112.9/4212.9/4312.9 - Employee Notifications)

When an employee has requested a hearing before an administrative law judge regarding the reduction or discontinuation of services, the Board shall make a final decision regarding the sufficiency of the cause and disposition of the layoff upon receipt of the administrative law judge's proposed decision. None of the findings, recommendations, or determinations of the administrative law judge shall be binding on the Board. (Education Code 44949)

The Board may conduct its own hearing, adopt the administrative law judge's proposed decision, refer the case back to the administrative law judge for additional evidence, or reject or modify the proposed decision and make its own determination based upon its review of the record.

Following the Board's decision, the Superintendent or designee shall give final notice, in the manner specified, to the affected employees before May 15 unless the parties agree otherwise in accordance with procedures required by law. (Education Code 44955)

When layoffs become necessary pursuant to Education Code 44955.5 as specified in item #5 above, layoff proceedings shall be carried out as required by law but in accordance with a schedule of notice and hearing adopted by the Board. (Education Code 44955.5)

Reappointment

If the number of employees is increased or the discontinued service reestablished, permanent certificated employees shall have the right to reappointment, in order of seniority, for 39 months from the date of termination. Probationary certificated employees shall have the same right for 24 months after being terminated, subject to the prior reappointment rights of permanent employees. (Education Code 44846, 44956, 44957)

During the period of the preferred right to reappointment, permanent certificated employees shall, in the order of original employment, be offered first opportunity for substitute service during the absence of any employee who has been granted a leave of absence or who is temporarily absent from duty. Such substitute service may be terminated upon the return to duty of the other employee. Such substitute service shall not affect the retention of the employees' previous classification and rights. Probationary certificated employees shall have the same right to substitute service during the period of preferred right to reappointment to the extent required by law, subject to the rights of permanent certificated employees. (Education Code 44918, 44956, 44957)

(cf. 4121 - Temporary/Substitute Employees)

Before reappointing any certificated employee to teach a subject which he/she has not previously taught and for which he/she does not have a teaching credential or which is not within the employee's major area of postsecondary study, the Board shall require the employee to pass a subject matter competency test in the appropriate subject. (Education Code 44956)

Reappointed certificated employees shall not be subject to any requirements that were not imposed on employees who continued in service. Their period of absence shall be treated as a leave of absence and not considered a break in the continuity of their service. (Education Code 44956, 44957)

The Governing Board expects all employees to perform their jobs satisfactorily, exhibit professional and appropriate conduct, and serve as positive role models both at school and in the community. A certificated employee may be disciplined for conduct or performance in accordance with law, the applicable collective bargaining agreement, Board policy, and administrative regulation.

Suspension/Dismissal Procedures

The Superintendent shall notify the Board whenever he/she believes that there is cause to suspend or dismiss an employee pursuant to Education Code 44932 or 44933.

When the Board finds that there is cause to suspend or dismiss an employee pursuant to Education Code 44932 or 44933, it may formulate a written statement of charges specifying instances of behavior and the acts or omissions constituting the charge, the statutes and rules that the employee is alleged to have violated when applicable, and the facts relevant to each charge.

The Board shall also review any duly signed and verified written statement of charges filed by any other person. (Education Code 44934, 44934.1)

Based on the written statement of charges, the Board may, upon majority vote, give notice to the employee of its intention to suspend or dismiss him/her at the expiration of 30 days from the date the notice is served. (Education Code 44934, 44934.1)

(cf. 4112.9/4212.9/4312.9 - Employee Notifications)

Prior to serving a suspension or dismissal notice that includes a charge of unsatisfactory performance, the district shall give the employee written notice of the unsatisfactory performance that specifies the nature of the unsatisfactory performance with such specific instances of behavior and with such particularity as to furnish the employee an opportunity to correct his/her faults and overcome the grounds for any unsatisfactory performance charges and, if applicable, that includes the evaluation made pursuant to Education Code 44660-44665. The written notice of the unsatisfactory performance shall be provided at least 90 days prior to the filing of the suspension or dismissal notice or prior to the last one-fourth of the school days in the year. (Education Code 44938)

(cf. 4115 - Evaluation/Supervision)

Prior to serving a suspension or dismissal notice that includes a charge of unprofessional conduct, the district shall give the employee written notice that describes the nature of the unprofessional conduct with such specific instances of behavior and with such particularity as to furnish the employee an opportunity to correct his/her faults and overcome the grounds for any unprofessional conduct charges and, if applicable, that includes the evaluation made pursuant to Education Code 44660-44665. The written notice of the unprofessional conduct shall be provided at least 45 days prior to the filing of the suspension or dismissal notice. (Education Code 44938)

Except for notices that only include charges of unsatisfactory performance, the written suspension or dismissal notice may be served at any time of year. Such notice shall be served upon the employee personally if given outside of the instructional year or, if given during the instructional year, may be served personally or by registered mail to the employee's last known address. Notices with a charge of unsatisfactory performance shall be given only during the instructional year of the school site where the employee is physically employed, and may be served personally or by registered mail to the employee's last known address. (Education Code 44936)

If an employee has been served notice and demands a hearing pursuant to Government Code 11505 and 11506, the Board shall either rescind its action or schedule a hearing on the matter. (Education Code 44941, 44941.1, 44943, 44944)

Pending suspension or dismissal proceedings for an employee who is charged with egregious misconduct, immoral conduct, conviction of a felony or of any crime involving moral turpitude, incompetency due to mental disability, or willful refusal to perform regular assignments without

reasonable cause as prescribed by district rules and regulations, the Board may, if it deems it necessary, immediately suspend the employee from his/her duties. If the employee files a motion with the Office of Administrative Hearings for immediate reversal of the suspension based on a cause other than egregious misconduct, the Board may file a written response before or at the time of the hearing. (Education Code 44939, 44939.1, 44940)

When a suspension or dismissal hearing is to be conducted by a Commission on Professional Competence, the Board shall, no later than 45 days before the date set for the hearing, select one person with a currently valid credential to serve on the Commission. The appointee shall not be an employee of the district and shall have at least three years' experience within the past 10 years at the same grade span or assignment as the employee, as defined in Education Code 44944. 1. The person preparing a written statement of charges that there is cause to suspend or dismiss an employee shall submit the signed statement to the Governing Board. (Education Code 44934, 44934.1)
2. Upon receiving notice of the Board's intent to suspend or dismiss him/her, the employee may request a hearing on the matter. The hearing shall be conducted by the Commission on Professional Competence, except that any case involving only egregious misconduct shall be heard instead by an administrative law judge and, in any other case, the hearing may be conducted by an administrative law judge when both the district and employee so stipulate. (Education Code 44943, 44944, 44944.05, 44944.1, 44944.3)
3. Except when an employee is charged solely with egregious misconduct, the district may amend the charges less than 90 days before the hearing only upon showing of good cause and upon approval of the administrative law judge. (Education Code 44934)
4. The employee shall be suspended or dismissed when the Commission on Professional Competence or administrative law judge has issued its decision supporting suspension or dismissal or, if the employee did not request a hearing, at the expiration of 30 days after service of the notice of intent to suspend or dismiss. (Education Code 44941, 44943, 44944)

The Superintendent or designee shall notify the Commission on Teacher Credentialing when the employment status of a certificated employee has been changed as a result of alleged misconduct or while an allegation of misconduct is pending. (Education Code 44030.5, 44242.5, 44940; 5 CCR 80303)

(cf. 4117.7/4317.7 - Employment Status Reports)

(cf. 4116 - Probationary/Permanent Status)
(cf. 4117.6 - Decision Not to Rehire)

During the school year, probationary employees in their first or second year of service may be dismissed only for one or more of the causes listed in items #1-11 in the section "Causes for Suspension or Dismissal" above or for unsatisfactory performance determined pursuant to Education Code 44660-44665. (Education Code 44948.2, 44948.3)

Whenever a first- or second-year probationary employee is so charged, the following procedures shall apply for dismissing the employee: (Education Code 44948.3)

1. The Superintendent or designee shall give 30 days' prior written notice of dismissal, not later than March 15 in the case of second-year probationary employees. The notice shall include a statement of the reasons for the dismissal, notice of the opportunity to appeal, and, if the cause is unsatisfactory performance, a copy of the evaluation conducted pursuant to Education Code 44664.

(cf. 4112.9/4212.9/4312.9 - Employee Notifications)

2. Upon receipt of the notice of dismissal, the employee may be dismissed if no request for a hearing is submitted to the Board within 15 days.

3. If a hearing is requested, the district may arrange for the appointment of an administrative law judge to conduct the hearing and to recommend a decision to the Board.

A probationary employee may be suspended without pay for a specified period of time as an alternative to dismissal. (Education Code 44948.3)

Compulsory Leave of Absence

Upon being informed by law enforcement that a certificated employee has been charged with a "mandatory leave of absence offense," the Superintendent or designee shall immediately place the employee on a leave of absence. (Education Code 44940)

If an employee is charged with an offense that falls into both the mandatory and optional leave of absence definitions, the offense shall be treated as a mandatory leave of absence offense. (Education Code 44940)

An employee's compulsory leave for a mandatory or optional leave of absence offense may extend for not more than 10 days after the entry of judgment in the criminal proceedings. However, the compulsory leave may be extended if the Board gives notice, within 10 days after the entry of judgment in the proceedings, that the employee will be dismissed within 30 days from the date of service of the notice unless he/she demands a hearing. (Education Code 44940, 44940.5)

AR 4119.11 4219.11, 4319.11

Personnel

This administrative regulation shall apply to all allegations of sexual harassment involving employees, interns, volunteers, and job applicants, but shall not be used to resolve any complaint by or against a student.

Definitions

Prohibited sexual harassment includes, but is not limited to, unwelcome sexual advances, unwanted requests for sexual favors, or other unwanted verbal, visual, or physical conduct of a sexual nature made against another person of the same or opposite sex in the work or educational setting when: (Education Code 212.5; Government Code 12940; 2 CCR 11034)

1. Submission to the conduct is made explicitly or implicitly a term or condition of the individual's employment.

Prohibited sexual harassment also includes conduct which, regardless of whether or not it is motivated by sexual desire, is so severe or pervasive as to unreasonably interfere with the victim's work performance or create an intimidating, hostile, or offensive work environment.

Examples of actions that might constitute sexual harassment in the work or educational setting, whether committed by a supervisor, a co-worker, or a non-employee, include, but are not limited to:

1. Unwelcome verbal conduct such as sexual flirtations or propositions; graphic comments about an individual's body; overly personal conversations or pressure for sexual activity; sexual jokes or stories; unwelcome sexual slurs, epithets, threats, innuendoes, derogatory comments, sexually degrading descriptions, or the spreading of sexual rumors
2. Unwelcome visual conduct such as drawings, pictures, graffiti, or gestures; sexually explicit emails; displaying sexually suggestive objects

3. Unwelcome physical conduct such as massaging, grabbing, fondling, stroking, or brushing the body; touching an individual's body or clothes in a sexual way; cornering, blocking, leaning over, or impeding normal movements

Training

The Superintendent or designee shall ensure that all employees receive training regarding the district's sexual harassment policies when hired and periodically thereafter. The training shall include the procedures for reporting and/or filing complaints involving an employee, employees' duty to use the district's complaint procedures, and employee obligations when a sexual harassment report involving a student is made to the employee.

(cf. 1312.3 - Uniform Complaint Procedures)
(cf. 4030 - Nondiscrimination in Employment)
(cf. 5145.7 - Sexual Harassment)

Every two years, the Superintendent or designee shall ensure that supervisory employees receive at least two hours of classroom or other effective interactive training and education regarding sexual harassment. All such newly hired or promoted employees shall receive training within six months of their assumption of the new position. (Government Code 12950.1)

A supervisory employee is any employee having the authority, in the interest of the district, to hire, transfer, suspend, lay off, promote, discharge, assign, reward, or discipline other employees, or the responsibility to direct them, adjust their grievances, or effectively recommend such action, when the exercise of the authority is not of a merely routine or clerical nature, but requires the use of independent judgment. (Government Code 12926)

(cf. 4300 - Administrative and Supervisory Personnel)

The district's sexual harassment training and education program for supervisory employees shall be aimed at assisting them in preventing and effectively responding to incidents of sexual harassment, as well as implementing mechanisms to promptly address and correct wrongful behavior. The training shall include, but is not limited to, the following: (Government Code 12950.1; 2 CCR 11024)

1. Information and practical guidance regarding federal and state laws on the prohibition, prevention, and correction of sexual harassment, the remedies available to sexual harassment victims in civil actions, and potential district and/or individual exposure or liability
2. The types of conduct that constitute sexual harassment and practical examples which illustrate sexual harassment, discrimination, and retaliation using training modalities such as role plays, case studies, and group discussions, based on factual scenarios taken from case law, news and media accounts, and hypotheticals based on workplace situations and other sources
3. A supervisor's obligation to report sexual harassment, discrimination, and retaliation of

which he/she becomes aware and what to do if the supervisor himself/herself is personally accused of harassment

4. Strategies for preventing harassment, discrimination, and retaliation and appropriate steps to ensure that remedial measures are taken to correct harassing behavior, including an effective process for investigation of a complaint
5. The essential elements of the district's anti-harassment policy, including the limited confidentiality of the complaint process and resources for victims of unlawful sexual harassment, such as to whom they should report any alleged sexual harassment, and how to use the policy if a harassment complaint is filed
6. A copy of the district's sexual harassment policy and administrative regulation, which each participant shall acknowledge in writing that he/she has received
7. The definition and prevention of abusive conduct that addresses the use of derogatory remarks, insults, or epithets, other verbal or physical conduct that a reasonable person would find threatening, intimidating, or humiliating, and the gratuitous sabotage or undermining of a person's work performance

The Superintendent or designee shall retain for at least two years the records of any training provided to supervisory employees. Such records shall include the names of trained employees, date of the training, the type of training, and the name of the training provider. (2 CCR 11024)

CODE OF ETHICS OF THE EDUCATION PROFESSION

Preamble

The educator, believing in the worth and dignity of each human being, recognizes the supreme importance of the pursuit of truth, devotion to excellence, and the nurturing of democratic principles. Essential to these goals is the protection of freedom to learn and to teach and the guarantee of equal educational opportunity for all. The educator accepts the responsibility to adhere to the highest ethical standards.

The educator recognizes the magnitude of the responsibility inherent in the teaching process. The desire for the respect and confidence of one's colleagues, of students, of parents, and of the members of the community provides the incentive to attain and maintain the highest possible degree of ethical conduct. The Code of Ethics of the Education Profession indicates the aspiration of all educators and provides standards by which to judge conduct.

Principle I. Commitment to the Student

The educator strives to help each student realize his/her potential as a worthy and effective member of society. The educator therefore works to stimulate the spirit of inquiry, the acquisition of knowledge and understanding, and the thoughtful formulation of worthy goals.

In fulfillment of the obligation to the student, the educator:

1. Shall not unreasonably restrain the student from independent action in the pursuit of learning
2. Shall not unreasonably deny the student access to varying points of view
3. Shall not deliberately suppress or distort subject matter relevant to the student's progress
4. Shall make reasonable effort to protect the student from conditions harmful to learning or to health and safety
5. Shall not intentionally expose the student to embarrassment or disparagement

6. Shall not on the basis of race, color, creed, gender, national origin, marital status, political or religious beliefs, family, social, or cultural background, or sexual orientation, unfairly:
 - a. Exclude any student from participation in any program
 - b. Deny benefits to any student
 - c. Grant any advantage to any student
7. Shall not use professional relationships with students for private advantage
8. Shall not disclose information in the course of professional service unless disclosure serves a compelling professional purpose or is required by law

Principle II. Commitment to the Profession

The education profession is vested by the public with a trust and responsibility requiring the highest ideals of professional service.

In the belief that the quality of the services of the education profession directly influences the nation and its citizens, the educator shall exert every effort to raise professional standards, to promote a climate that encourages the exercise of professional judgment, to achieve conditions that attract persons worthy of the trust to careers in education, and to assist in preventing the practice of the profession by unqualified persons.

In fulfillment of the obligation of the profession, the educator:

1. Shall not in any application for a professional position deliberately make a false statement or fail to disclose a material fact related to competency and qualifications
2. Shall not misrepresent his/her professional qualifications
3. Shall not assist any entry into the profession of a person known to be unqualified in respect to character, education, or other relevant attribute
4. Shall not knowingly make a false statement concerning the qualifications of a candidate for a professional position
5. Shall not assist a noneducator in the unauthorized practice of teaching
6. Shall not disclose information about colleagues obtained in the course of professional service unless disclosure serves a compelling professional purpose or is required by law
7. Shall not knowingly make false or malicious statements about a colleague

8. Shall not accept any gratuity, gift, or favor that might impair or appear to influence professional decisions or action

Exposure Control Plan For Bloodborne Pathogens

BP 4119.42 4219.42, 4319.42

Personnel

As part of its commitment to provide a safe and healthful work environment, the Governing Board recognizes the importance of developing an exposure control plan. The Superintendent or designee shall establish a written exposure control plan in accordance with state and federal standards for dealing with potentially infectious materials in the workplace to protect employees from possible infection due to contact with bloodborne pathogens, including but not limited to hepatitis B virus, hepatitis C virus and human immunodeficiency virus (HIV).

(cf. 4119.43/4219.43/4319.43 - Universal Precautions)

(cf. 4157/4257/4357 - Employee Safety)

The Superintendent or designee shall determine which employees have occupational exposure to bloodborne pathogens and other potentially infectious materials. In accordance with the district's exposure control plan, employees having occupational exposure shall be offered the hepatitis B vaccination.

The Superintendent or designee may exempt designated first aid providers from pre-exposure hepatitis B vaccination under the conditions specified by state regulations. (8 CCR 5193(f))

Any employee not identified by the Superintendent or designee as having occupational exposure may submit a request to the Superintendent or designee to be included in the training and hepatitis B vaccination program. The Superintendent or designee may deny a request when there is no reasonable anticipation of contact with any infectious material.

Administrative Regulation

Exposure Control Plan For Bloodborne Pathogens

AR 4119.42 4219.42, 4319.42

Personnel

Note: The following sample regulation summarizes Cal/OSHA's key requirements for preventing and handling exposure to bloodborne pathogens (8 CCR 5193), as amended by emergency regulations adopted January 1999 and subsequent permanent regulations effective July 30, 1999, pursuant to Register 99, No. 31. The Cal/OSHA standards are detailed and lengthy, and districts are encouraged to examine the full content of 8 CCR 5193 to determine any additional requirements applicable to their circumstances.

Districts may wish to consider including the following optional regulation in their employee handbooks.

Definitions

Occupational exposure means reasonably anticipated skin, eye, mucous membrane, or parenteral contact with blood or other potentially infectious materials that may result from the performance of an employee's duties. (8 CCR 5193(b))

Exposure incident means a specific eye, mouth, other mucous membrane, nonintact skin, or parenteral contact with blood or other potentially infectious materials that result from the performance of an employee's duties. (8 CCR 5193 (b))

Parenteral contact means piercing mucous membranes or the skin barrier through such events as needlesticks, human bites, cuts, and abrasions. (8 CCR 5193(b))

A sharp is any object that can be reasonably anticipated to penetrate the skin or any other part of the body and to result in an exposure incident. (8 CCR 5193(b))

A sharps injury is any injury caused by a sharp, including but not limited to cuts, abrasions or needlesticks. (8 CCR 5193(b))

Work practice controls are controls that reduce the likelihood of exposure by defining the manner in which a task is performed. (8 CCR 5193(b))

Engineering controls are controls, such as sharps disposal containers, needleless systems, and sharps with engineered sharps injury protection, that isolate or remove the bloodborne pathogens hazard from the workplace. (8 CCR 5193(b))

Engineered sharps injury protection is a physical attribute built into a needle device or into a

non-needle sharp which effectively reduces the risk of an exposure incident. (8 CCR 5193(b))

Exposure Control Plan

The district's exposure control plan shall contain at least the following components: (8 CCR 5193(c))

1. A determination of which employees have occupational exposure to blood or other potentially infectious materials

The district's exposure determination shall be made without regard to the use of personal protective equipment and shall include a list of:

- a. All job classifications in which all employees have occupational exposure
- b. Job classifications in which some employees have occupational exposure
- c. All tasks and procedures, or groups of closely related tasks and procedures, in which occupational exposure occurs and which are performed by employees listed in item #b above

2. The schedule and method of implementing:

a. Methods of compliance required by 8 CCR 5193(d), such as universal precautions, general and specific engineering and work practice controls, and personal protective equipment

(cf. 4119.43/4219.43/4319.43 - Universal Precautions)

- b. Hepatitis B vaccination
- c. Bloodborne pathogen post-exposure evaluation and follow-up
- d. Communication of hazards to employees, including labels, signs, information and training
- e. Recordkeeping

3. The district's procedure for evaluating circumstances surrounding exposure incidents

Note: 8 CCR 5193(c), effective July 30, 1999, as amended in Register 99, No. 31, requires that the exposure control plan contain items #4-8 below.

4. An effective procedure for gathering information about each exposure incident involving a sharp, as required for the log of sharps injuries

5. An effective procedure for periodically determining the frequency of use of the types and brands of sharps involved in exposure incidents documented in the sharps injury log

6. An effective procedure for identifying currently available engineering controls and selecting such controls as appropriate for the procedures performed by employees in their work areas or departments

7. An effective procedure for documenting instances when a licensed healthcare professional directly involved in a patient's care determines, in the reasonable exercise of clinical judgment, that the use of an engineering control would jeopardize an individual's safety or the success of a medical, dental or nursing procedure involving the individual

8. An effective procedure for obtaining the active involvement of employees in reviewing and updating the exposure control plan with respect to the procedures performed by employees in their respective work areas or departments

The exposure control plan shall be reviewed and updated at least annually and whenever necessary to: (8 CCR 5193(c))

Note: As amended in Register 99, No. 31, effective July 30, 1999, Items #2 and #5 below were added to 8 CCR 5193(c) to expand the situations in which the exposure control plan must be reviewed and updated.

1. Reflect new or modified tasks and procedures affecting occupational exposure
2. To the extent that sharps are used in the district, reflect progress in implementing the use of needleless systems and sharps with engineered sharps injury protection
3. Include new or revised employee positions with occupational exposure
4. Review and evaluate the exposure incidents which occurred since the previous update
5. Review and respond to information indicating that the exposure control plan is deficient in any area

The district's exposure control plan shall be accessible to employees upon request. (8 CCR 3204(e))

Preventive Measures

Note: The implementation of universal precautions is another preventive measure that should be utilized by the district. See BP/AR 4119.43/4219.43/4319.43 - Universal Precautions.

The Superintendent or designee shall use engineering and work practice controls to eliminate or minimize employee exposure, and shall regularly examine and update controls to ensure their effectiveness. (8 CCR 5193(d))

Hepatitis B Vaccination

The hepatitis B vaccination and vaccination series shall be made available at no cost to all employees who have occupational exposure. The hepatitis B vaccination shall be made available after an employee with occupational exposure has received the required training and within 10 working days of initial assignment, unless the employee has previously received the complete hepatitis B vaccination series, or antibody testing has revealed that the employee is immune, or vaccination is contraindicated by medical reasons. (8 CCR 5193(f))

Note: If the employee declines to accept hepatitis B vaccination offered by the district, the district must ensure that he/she signs the statement reproduced as E 4119.42/4219.42/4319.42.

Employees who decline to accept the vaccination shall sign the hepatitis B declination statement. (8 CCR 5193(f))

The Superintendent or designee may exempt designated first aid providers from the pre-exposure hepatitis B vaccine in accordance with 8 CCR 5193 (f).

Information and Training

The Superintendent or designee shall ensure that all employees with occupational exposure participate in a training program containing the elements required by state regulations, during working hours and at no cost to the employee. This program shall be offered at the time of initial assignment to tasks where occupational exposure may take place, at least annually thereafter, and whenever a change of tasks or procedures affects the employee's exposure. (8 CCR 5193(g))

Designated first aid providers shall receive training that includes the specifics of reporting first-aid incidents which involve blood or body fluids which are potentially infectious. (8 CCR 5193(g))

Reporting Incidents

All exposure incidents shall be reported as soon as possible to the Superintendent or designee.

Unvaccinated designated first aid providers must report any first aid incident involving the presence of blood or other potentially infectious material, regardless of whether an exposure incident occurred, by the end of the work shift. The full hepatitis B vaccination series shall be made available to such employees no later than 24 hours after the first aid incident. (8 CCR 5193(f))

Note: Requirements of 8 CCR 5193 related to designated first aid providers do not apply to employees who assist in nonemployment-related first aid situations as "good Samaritans." Although employees are not covered by the bloodborne pathogen standards if their exposure is unrelated to their job duties, Cal/OSHA encourages employers to offer post-exposure evaluation and follow-up to all employees.

Sharps Injury Log

Note: Pursuant to 8 CCR 5193(c), as amended in Register 99, No. 31, employers are required to establish and maintain a log recording each exposure incident involving a sharp. Item #3 below is effective July 30, 1999.

The Superintendent or designee shall establish and maintain a log recording each exposure incident involving a sharp. The exposure incident shall be recorded within 14 working days of the date the incident is reported to the district. (8 CCR 5193(c))

The information recorded shall include the following, if known or reasonably available: (8 CCR 5193(c))

1. Date and time of the exposure incident
2. Type and brand of sharp involved in the exposure incident
3. A description of the exposure incident, including:
 - a. Job classification of the exposed employee
 - b. Department or work area where the exposure incident occurred
 - c. The procedure that the exposed employee was performing at the time of the incident
 - d. How the incident occurred
 - e. The body part involved in the incident
 - f. If the sharp had engineered sharps injury protection, whether the protective mechanism was activated and whether the injury occurred before, during or after the protective mechanism was activated
 - g. If the sharp had no engineered sharps injury protection, the injured employee's opinion as to whether and how such a mechanism could have prevented the injury
 - h. The employee's opinion about whether any other engineering, administrative or work practice could have prevented the injury

Post-Exposure Evaluation and Follow-up

Following a report of an exposure incident, the Superintendent or designee shall immediately make available to the exposed employee, at no cost, a confidential medical evaluation, post-exposure evaluation and follow-up. The Superintendent or designee shall, at a minimum: (8 CCR 5193(f))

1. Document the route(s) of exposure and the circumstances under which the exposure

incident occurred

2. Identify and document the source individual, unless that identification is infeasible or prohibited by law
3. Provide for the collection and testing of the employee's blood for hepatitis B, hepatitis C and HIV serological status
4. Provide for post-exposure prophylaxis, when medically indicated, as recommended by the U.S. Public Health Service
5. Provide for counseling and evaluation of reported illnesses

The Superintendent or designee shall provide the health care professional with a copy of 8 CCR 5193; a description of the employee's duties as they relate to the exposure incident; documentation of the route(s) of exposure and circumstances under which exposure occurred; results of the source individual's blood testing, if available; and all medical records maintained by the district relevant to the appropriate treatment of the employee, including vaccination status. (8 CCR 5193(f))

The district shall maintain the confidentiality of the affected employee and the exposure source during all phases of the post-exposure evaluation. (8 CCR 5193(f))

Note: Districts should obtain permission from the source individual before disclosing confidential information about that source individual, in accordance with law. Legal counsel should be consulted regarding current rules for the contents and format of consent forms.

(cf. 4119.23/4219.23/4319.23 - Unauthorized Release of Confidential/Privileged Information)
(cf. 9011 - Disclosure of Confidential/Privileged Information)

Records

Upon an employee's initial employment and at least annually thereafter, the Superintendent or designee shall inform employees with occupational exposure of the existence, location and availability of related records; the person responsible for maintaining and providing access to records; and the employee's right of access to these records. (8 CCR 3204)

(cf. 1340 - Access to District Records)
(cf. 3580 - District Records)

Medical records for each employee with occupational exposure shall be kept confidential and not disclosed or reported without the employee's written consent to any person within or outside the workplace except as required by law. (8 CCR 5193(h))

Upon request by an employee, or a designated representative with the employee's written consent, the Superintendent or designee shall provide access to a record in a reasonable time,

place and manner, no later than 15 days after the request is made. (8 CCR 3204(e))

Records shall be maintained as follows: (8 CCR 3204(d), 5193(h))

1. Medical records shall be maintained for the duration of employment plus 30 years.
2. Training records shall be maintained for three years from the date of training.

Note: Pursuant to 8 CCR 5193(h), as amended, the sharps injury log must be maintained for five years as described in item #3 below.

3. The sharps injury log shall be maintained five years from the date the exposure incident occurred.
4. Exposure records shall be maintained for at least 30 years.
5. Each analysis using medical or exposure records shall be maintained for at least 30 years.

Hepatitis B Vaccine Declination

I understand that due to my occupational exposure to blood or other potentially infectious materials I may be at risk of acquiring hepatitis B virus (HBV) infection. I have been given the opportunity to be vaccinated with hepatitis B vaccine, at no charge to myself. However, I decline hepatitis B vaccination at this time. I understand that by declining this vaccine, I continue to be at risk of acquiring hepatitis B, a serious disease. If in the future I continue to have occupational exposure to blood or other potentially infectious materials and I want to be vaccinated with hepatitis B vaccine, I can receive the vaccination series at no charge to myself.

Definitions

Universal precautions are an approach to infection control. All human blood and certain human body fluids, including but not limited to semen, vaginal secretions and any body fluid that is visibly contaminated with blood, are treated as if known to be infectious for human immunodeficiency virus (HIV), hepatitis B virus (HBV), hepatitis C virus (HCV) and other bloodborne pathogens. (8 CCR 5193(b))

Personal protective equipment includes specialized clothing or equipment worn or used for protection against a hazard. General work clothes such as uniforms, pants, shirts or blouses not intended to function as protection against a hazard are not considered to be personal protective equipment. (8 CCR 5193(b))

A sharp is any object that can be reasonably anticipated to penetrate the skin or any other part of the body and to result in an exposure incident. (8 CCR 5193(b))

Engineered sharps injury protection is a physical attribute built into a needle device or into a non-needle sharp which effectively reduces the risk of an exposure incident. (8 CCR 5193(b))

Employee Information

The Superintendent or designee shall distribute to employees information provided by the California Department of Education regarding acquired immune deficiency syndrome (AIDS), AIDS-related conditions, and hepatitis B. This information shall include, but not be limited to, any appropriate methods employees may use to prevent exposure to AIDS and hepatitis B, including information concerning the availability of a vaccine to prevent contraction of hepatitis B, and that the cost of this vaccination may be covered by the health plan benefits of the employees. Information shall be distributed at least annually, or more frequently if there is new information supplied by the California Department of Education. (Health and Safety Code 120875, 120880)

(cf. 4112.9/4212.9/4312.9 - Employee Notifications)

(cf. 4119.42/4219.42/4319.42 - Exposure Control Plan for Bloodborne Pathogens)

Infection Control Practices

The Superintendent or designee shall ensure that the worksite is effectively maintained in a clean and sanitary condition, and shall implement an appropriate written schedule for cleaning and decontamination of the worksite. (8 CCR 5193(d))

Where occupational exposure remains after the institution of engineering and work practice controls, the Superintendent or designee shall provide appropriate personal protective equipment at no cost to the employee. Such equipment may include gloves, gowns, masks, eye protection, and other devices that do not permit blood or other potentially infectious materials to pass through or reach the employee's clothes, skin, eyes, mouth or other mucous membranes under normal conditions of use. The Superintendent or designee shall maintain, repair, make accessible and require employees to use and properly handle protective equipment. (8 CCR 5193(d))

The Superintendent or designee shall provide handwashing facilities which are readily accessible to employees. When provision of handwashing facilities is not feasible, the Superintendent or designee shall provide an appropriate antiseptic hand cleanser in conjunction with clean cloth or paper towels, or antiseptic towelettes. (8 CCR 5193(d))

For the prevention of infectious disease, employees shall routinely: (8 CCR 5193(d))

1. Perform all procedures involving blood or other potentially infectious materials in such a manner as to minimize splashing, spraying, spattering, and generating droplets of these substances.
2. Use personal protective equipment as appropriate.
 - a. Appropriate clothing, including but not limited to, gowns, aprons, lab coats, clinic jackets or similar outer garments, shall be worn in occupational exposure situations.

If a garment becomes penetrated by blood or other potentially infectious materials, the employee shall remove the garment immediately or as soon as feasible. All personal protective equipment shall be removed prior to leaving the work area. When removed, it shall be placed in an appropriately designated area or container for storage, washing, decontamination or disposal.

- b. Gloves shall be worn when it can be reasonably anticipated that the employee may have hand contact with blood, other potentially infectious materials, mucous membranes and nonintact skin, and when handling or touching contaminated items or surfaces.

Disposable gloves shall be replaced as soon as practical when contaminated, or as soon as feasible if they are torn, punctured, or when their ability to function as a barrier is compromised. They shall not be washed or decontaminated for reuse. Utility gloves may be decontaminated for reuse if the integrity of the gloves is not compromised, but must be discarded if they are cracked, peeling, torn, punctured, or exhibit other signs of deterioration or when their ability to function as a barrier is compromised.

c. Masks in combination with eye protection devices or face shields shall be worn whenever splashes, spray, spatter, or droplets of blood or other potentially infectious materials may be generated and eye, nose or mouth contamination can be reasonably anticipated.

3. Wash hands and other skin surfaces thoroughly with soap and running water:

a. Immediately or as soon as feasible following contact of hands or any other skin or mucous membranes with blood or other potentially infectious materials

b. Immediately after removing gloves or other personal protective equipment

When handwashing facilities are not available, the employee shall use antiseptic hand cleanser in conjunction with clean cloth or paper towels, or antiseptic towelettes. In such instances, hands shall be washed with soap and running water as soon as feasible.

4. Refrain from eating, drinking, smoking, applying cosmetics or lip balm, or handling contact lenses in work areas with a reasonable likelihood of occupational exposure.

5. Clean and decontaminate all equipment and environmental and work surfaces after contact with blood or other potentially infectious material, no later than the end of the shift or more frequently as required by state regulations.

6. Rather than using the hands directly, use mechanical means such as a brush and dust pan, tongs or forceps to clean up broken glassware which may be contaminated.

7. Use effective patient-handling techniques and other methods designed to minimize the risk of a sharps injury in all procedures involving the use of sharps in patient care.

(cf. 5141.21 - Administering Medication and Monitoring Health Conditions)

(cf. 5141.24 - Specialized Health Care Services)

a. Needleless systems shall be used to administer medication or fluids, withdraw body fluids after initial venous or arterial access is established, and conduct any other procedure involving the potential for an exposure incident for which a needleless system is available as an alternative to the use of needle devices. If needleless systems are not used, needles or non-needle sharps with engineered sharps injury protection shall be used.

b. Contaminated needles or other sharps shall not be broken, bent, recapped, removed from devices, or stored or processed in a manner that requires employees to reach by hand into the containers where these sharps have been placed.

c. Disposable sharps shall not be reused.

8. Handle, store, treat and dispose of regulated waste in accordance with Health and Safety Code 117600-118360 and other applicable state and federal regulations.

a. Immediately or as soon as possible after use, contaminated sharps shall be placed in containers meeting the requirements of 8 CCR 5193(d)(3)(D). Containers shall be easily accessible, maintained upright throughout use where feasible, and replaced as necessary to avoid overfilling.

b. Specimens of blood or other potentially infectious material shall be placed in a container which prevents leakage during collection, handling, processing, storage, transport or shipping.

Board Policy

Temporary/Substitute Personnel

BP 4121

Personnel

The Governing Board recognizes that substitute and temporary personnel perform an essential role in promoting student achievement and desires to employ highly qualified, appropriately credentialed employees to fill such positions.

(cf. 4112.2 - Certification)

Hiring

The Superintendent or designee shall recommend candidates for substitute or temporary positions for Board approval, and shall ensure that all substitute and temporary employees are assigned in accordance with law and the authorizations specified in their credential.

(cf. 4113 - Assignment)

Substitute personnel may be employed on an on-call, day-to-day basis.

In addition, after September 1 of any school year, the Board may employ substitute personnel for the remainder of the school year for positions for which no regular employee is available. The district shall first demonstrate to the Commission on Teacher Credentialing the inability to acquire the services of a qualified regular employee. (Education Code 44917)

(cf. 4117.14/4317.14 - Postretirement Employment)

Permanent or probationary certificated employees who were laid off pursuant to Education Code 44955 and who have a preferred right of reappointment shall be given priority for substitute service in the order of their original employment. (Education Code 44956, 44957)

(cf. 4117.3 - Personnel Reduction)

Classification

At the time of initial employment and each July thereafter, the Board shall classify substitute and temporary employees as such. (Education Code 44915, 44916)

The Board may classify as substitute personnel a teacher hired to fill the position of a regularly employed person who is absent from service. (Education Code 44917)

To address the need for additional certificated employees when regular district employees are absent due to leaves or long-term illness, the Board may classify a teacher who is employed for at least one semester and up to one complete school year as a temporary employee. Any person whose service begins in the second semester and before March 15 may be classified as a temporary employee even if employed for less than a semester. The Board shall determine the number of persons who shall be so employed, which shall not exceed the identified need based on the absence of regular employees. (Education Code 44920)

The Board also shall classify as temporary employees those certificated persons, other than substitute employees, who are employed to:

1. Serve from day to day during the first three months of any school term to teach temporary classes which shall not exist after that time, or perform any other duties which do not last longer than the first three months of any school term (Education Code 44919)

2. Teach in special day and evening classes for adults or in schools of migratory population for not more than four months of any school term (Education Code 44919)

(cf. 6175 - Migrant Education Program)

(cf. 6200 - Adult Education)

3. Serve in a limited assignment supervising student athletic activities provided such assignments have first been made available to teachers presently employed in the district (Education Code 44919)

(cf. 4127/4227/4327 - Temporary Athletic Team Coaches)

4. Serve in a position for a period not to exceed 20 working days in order to prevent the stoppage of district business during an emergency when persons are not immediately available for probationary classification (Education Code 44919)

5. Serve only for the first semester because the district expects a reduction in student enrollment during the second semester due to mid-year graduations (Education Code 44921)

For purposes of classifying employees pursuant to item #1 or #2 above, the school year shall not be divided into more than two school terms. (Education Code 44919)

Any employee hired to provide services in a categorically funded program or project may be employed for a period less than a full school year. He/she may be classified as a temporary employee if the period of employment will end at the expiration of that program or project. (Education Code 44909)

Salary and Benefits

The Board shall adopt and make public a salary schedule setting the daily or pay period rate(s) for substitute employees for all categories or classes of certificated employees of the district.

(Education Code 44977, 45030)

Temporary employees shall participate in the health and welfare plans or other fringe benefits of the district.

(cf. 4140/4240/4340 - Bargaining Units)

(cf. 4154/4254/4354 - Health and Welfare Benefits)

Paid Sick Leave

Except for a retired annuitant who is not reinstated to the retirement system, any temporary or substitute employee who works for 30 or more days within a year of his/her employment shall be entitled to one hour of paid sick leave for every 30 hours worked. Accrued paid sick days shall carry over to the following year of employment, up to a maximum of 48 hours. (Labor Code 246)

Any temporary or substitute employee may begin to use accrued paid sick days on the 90th day of his/her employment, after which he/she may use the sick days as they are accrued. (Labor Code 246)

A temporary or substitute employee may use accrued sick leave for absences due to: (Labor Code 246.5)

1. His/her own need or the need of a family member, as defined in Labor Code 245.5, for the diagnosis, care, or treatment of an existing health condition or for preventive care
2. Need of the employee to obtain or seek any relief or medical attention specified in Labor Code 230(c) and 230.1(a) for the health, safety, or welfare of the employee, or his/her child, when the employee has been a victim of domestic violence, sexual assault, or stalking

(cf. 4161.1/4361.1 - Personal Illness/Injury Leave)

(cf. 4261.1 - Personal Illness/Injury Leave)

No employee shall be denied the right to use accrued sick days and the district shall not in any manner discriminate or retaliate against an employee for using or attempting to use sick leave, filing a complaint with the Labor Commissioner, or alleging district violation of Labor Code 245-249. The Superintendent or designee shall display a poster containing required information, provide notice to eligible employees of their sick leave rights, keep records of employees' use of sick leave for three years, and comply with other requirements specified in Labor Code 245-249 and in AR 4161.1/4361.1 - Personal Illness/Injury Leave.

Release from Employment/Dismissal

The Board may dismiss a substitute employee at any time at its discretion. (Education Code 44953)

The Board may release a temporary employee at its discretion if the employee has served less than 75 percent of the number of days the regular schools of the district are maintained during one school year. After serving 75 percent of the number of days that district schools are maintained during one school year, a temporary employee may be released as long as he/she is notified, before the last day of June, of the district's decision not to reelect him/her for the following school year. (Education Code 37200, 44954)

(cf. 4112.9/4212.9/4312.9 - Employee Notifications)

Reemployment as a Probationary Employee

Unless released from employment pursuant to Education Code 44954, any person employed for one complete school year as a temporary employee shall, if reemployed for the following school year in a vacant position requiring certification qualifications, be classified as a probationary employee. With the exception of on-call, day-to-day substitutes, if a temporary or substitute employee performs the duties normally required of certificated employees for at least 75 percent of the number of days the regular schools of the district were maintained in that school year and is then employed as a probationary employee for the following school year, his/her previous employment as a temporary or substitute employee shall be credited as one year's employment as a probationary employee for purposes of acquiring permanent status. (Education Code 44917, 44918, 44920)

(cf. 4116 - Probationary/Permanent Status)

Vacant position means a position in which the employee is qualified to serve and which is not filled by a permanent or probationary employee. It shall not include a position which would be filled by a permanent or probationary employee except for the fact that such employee is on leave. (Education Code 44920, 44921)

A temporary employee hired pursuant to item #1 or #2 in the section "Classification" above shall be classified as a probationary employee if the duties continue beyond the time limits of the assignment. (Education Code 44919)

A person employed pursuant to item #5 in the section "Classification" above who is then continued in employment beyond the first semester shall be classified as a probationary employee for the entire school year and shall be reemployed to fill any vacant position in the district for which he/she is certified. Preference for available positions shall be determined by the Board as prescribed by Education Code 44845 and 44846. (Education Code 44921)

With the exception of on-call, day-to-day substitutes, any temporary or substitute employee who was released pursuant to Education Code 44954 but who has nevertheless served in a certificated position in the district for at least 75 percent of each of two consecutive school years shall receive first priority if the district fills a vacant position for the subsequent school year at the grade level at which the employee served during either year. In the case of a departmentalized program, the employee shall have taught the subject matter in which the vacant position occurs. (Education Code 44918)

Personnel

The Governing Board recognizes the right of district employees to form bargaining units, select an employee organization as their exclusive representative, and be represented by that organization in their employment relationship with the district. The Board is committed to negotiating in good faith with recognized employee organizations and respecting the rights of employees and employee organizations.

(cf. 4141/4241 - Collective Bargaining Agreement)

(cf. 4143/4243 - Negotiations/Consultation)

(cf. 9000 - Role of the Board)

The district shall not dominate or interfere with the formation or administration of any employee organization or contribute financial or other support to it. (Government Code 3543.5)

Neither the district nor the employee organization shall impose or threaten to impose reprisals on employees, discriminate or threaten to discriminate against employees, or otherwise interfere with, restrain, or coerce employees because of their membership or nonmembership in an employee organization. (Government Code 3543.5, 3543.6)

(cf. 4119.1/4219.1/4319.1 - Civil and Legal Rights)

Formation of Bargaining Units

Certificated and classified employees shall not be included in the same bargaining unit. (Government Code 3545)

The district may recognize a bargaining unit of supervisory employees if: (Government Code 3545)

1. The bargaining unit includes all supervisory employees.
2. The supervisors are not represented by the same organization that represents employees whom the supervisory employees supervise.

(cf. 4300 - Administrative and Supervisory Personnel)

(cf. 4312.1 - Contracts)

For this purpose, supervisory employee means any employee, regardless of job description, having the authority, in the interest of the district, to hire, transfer, suspend, layoff, recall, promote, discharge, assign, reward, discipline, assign work, direct, adjust grievance of other employees, or effectively recommend that action. The exercise of this authority shall not be merely routine or clerical in nature, but shall require the use of independent judgment. (Government Code 3540.1)

Employees serving in management, senior management, or confidential positions shall not be represented by an exclusive representative. Such employees may represent themselves individually or may be represented by an employee organization whose membership is composed entirely of employees designated as holding those positions, but that organization shall not meet and negotiate with the district. For this purpose: (Government Code 3540.1, 3543.4)

1. Management employee means any employee who has significant responsibilities for formulating district policies or administering district programs, and whose position is designated as a management position by the Board.
2. Confidential employee means any employee who is required to develop or present management positions with respect to employer-employee relations or whose duties normally require access to confidential information that is used to contribute significantly to the development of management positions.

Payment of Dues or Service Fee

Upon the written request of a recognized employee organization, the Superintendent or designee shall deduct the amount of organization dues or the fair share service fee, determined in accordance with Government Code 3546, from the wages and salary of each employee represented by that employee organization and shall pay that amount to the employee organization. (Education Code 45060, 45168; Government Code 3546)

Any employee who is a member of a religious body whose traditional tenets or teachings include objections to joining or financially supporting employee organizations shall not be required to join, maintain membership in, or financially support any employee organization as a condition of employment. However, such an employee may be required to pay an amount equal to the service fee to a designated charitable fund. (Government Code 3546.3)

Each employee organization shall, within 60 days after the end of its fiscal year, provide the Board and the employees who are members of the organization with a detailed financial report consisting of a balance sheet and an operating statement. If the employee organization fails to provide the financial report, the Board may issue an order compelling the organization to provide the financial report or any employee within the organization may petition the Board for such an order. (Government Code 3546.5)

(cf. 3460 - Financial Reports and Accountability)

The Board recognizes that advance planning is necessary to ensure that students receive the education to which they are entitled in the event of a work slowdown, sickout, strike, or other concerted activity by employees. The Superintendent or designee shall develop a written plan which shall include strategies for the provision of internal and external communications, preservation of student and staff safety, maintenance of district operations, and appropriate student instruction and supervision during a work slowdown or stoppage.

(cf. 0450 - Comprehensive Safety Plan)

(cf. 1100 - Communications with the Public)

If an employee organization gives notice that it intends to strike, the Superintendent or designee shall notify the Public Employment Relations Board, Employment Development Department, employees in the striking unit, employees in the non-striking unit, parents/guardians, students, law enforcement, the media, and others as appropriate.

Employees should be held accountable for their behavior during any labor dispute. Complaints regarding unlawful discrimination in district programs or the district's failure to comply with state or federal laws regarding educational programs shall be resolved in accordance with the district's Uniform Complaint Procedures. Complaints regarding sufficiency of textbook materials, teacher vacancy or misassignment, an urgent or emergency facility condition, or the failure to provide intensive instruction to students who did not pass the high school exit examination by the end of grade 12 shall be resolved in accordance with the district's Williams Uniform Complaint Procedures. (Education Code 35186; 5 CCR 4621)

(cf. 1312.3 - Uniform Complaint Procedures)

(cf. 1312.4 - Williams Uniform Complaint Procedures)

For complaints regarding working conditions or other subjects of negotiation, the employee shall use the grievance procedure specified in the applicable collective bargaining agreement.

Any of the time limits specified in this procedure may be extended by written agreement between the district and complainant.

Step 1: Informal Complaint Process

Prior to instituting a formal, written complaint, the employee shall first discuss the issue with his/her supervisor or the principal of the school where the alleged act took place. Formal

complaint procedures shall not be initiated until the employee has first attempted to resolve the complaint informally.

Step 2: Site Level Formal Complaint Process

If a complaint has not been satisfactorily resolved through the informal process in Step 1, the complainant may file a written complaint with his/her immediate supervisor or principal within 60 days of the act or event which is the subject of the complaint. If an employee fails to file a written complaint within 60 days, the complaint shall be considered settled on the basis of the answer given at the preceding step.

In the written complaint, the employee shall specify the nature of the problem, including names, dates, locations, witnesses, the remedy sought by the employee, and a description of informal efforts to resolve the issue.

Within 10 working days of receiving the complaint, the immediate supervisor or principal shall conduct any necessary investigation and meet with the complainant in an effort to resolve the complaint. Within five working days after the meeting, he/she shall prepare and send a written response to the complainant.

Step 3: District Level Appeal

If a complaint has not been satisfactorily resolved at Step 2, the complainant may file the written complaint with the Superintendent or designee within five working days of receiving the written response from the immediate supervisor or the principal. The complainant shall include all information presented to the immediate supervisor or principal at Step 2.

Within 10 working days of receiving the complaint, the Superintendent or designee shall conduct any necessary investigation, including reviewing the investigation and written response by the immediate supervisor or principal at Step 2, and shall meet with the complainant in an effort to resolve the complaint. Within five working days after the meeting, he/she shall prepare and send a written response to the complainant.

Step 4: Appeal to the Governing Board

If a complaint has not been satisfactorily resolved at Step 3, the complainant may file a written appeal to the Board within five working days of receiving the Superintendent or designee's response. All information presented at Steps 1, 2, and 3 shall be included with the appeal, and the Superintendent or designee shall submit to the Board a written report describing attempts to resolve the complaint and the district's response.

The Board may uphold the findings by the Superintendent or designee without hearing the complaint or the Board may hear the complaint at a regular or special Board meeting. The hearing shall be held in closed session if the complaint relates to matters that may be addressed in closed session in accordance with law.

(cf. 9321 - Closed Session Purposes and Agendas)

The Board shall make its decision within 30 days of the hearing and shall send its decision to all concerned parties. The Board's decision shall be final.

An employee who has requested the use of compensatory time shall be allowed to use such time within a reasonable period after making the request if the use of the compensatory time does not unduly disrupt district operations. (29 USC 207; 29 CFR 553.20-553.25)

For each nonexempt employee, the Superintendent or designee shall maintain records on the employee's wages, hours, and other information specified in 29 CFR 516.5-516.6.

2. The district shall ensure that the employee's required monthly contribution for the lowest cost employee-only coverage does not exceed 9.5 percent of an amount equal to 130 hours multiplied by the employee's hourly rate of pay on the first day of the plan year or his/her lowest hourly pay during the calendar month, whichever is lower.
3. The district shall ensure that the employee's contribution does not exceed 9.5 percent of a monthly amount determined as the federal poverty line for a single individual for the applicable calendar year, divided by 12.

The Superintendent or designee shall notify the health care service plan administrator of a qualifying event listed in item #1, 2, or 4 above, within 30 days of the event. A covered employee or qualified beneficiary shall notify the service plan administrator of a qualifying event listed in item #3 or 5 above within 60 days of the event or of the date that the beneficiary would lose coverage, whichever is later. (26 USC 4980B; 29 USC 1163, 1166; 26 CFR 54.4980B-6)

Ergonomics

AR 4157.2 4257.2, 4357.2

Personnel

To minimize employee's risk of repetitive motion injuries (RMIs), the Superintendent or designee shall implement an ergonomics program whenever two or more RMIs from an identical work activity have been reported by district employees within a 12-month period beginning July 3, 1997. In addition, all reported injuries must satisfy all of the following conditions: (8 CCR 5110)

1. The RMIs were predominantly caused (i.e., 50 percent or more) by a repetitive job, process or operation.
2. The employees incurring the RMIs were performing a job process or operation of identical work activity. Identical work activity means that the employees were performing the same repetitive motion task, such as similar word processing, assembly or loading tasks.
3. The RMIs were musculoskeletal injuries that a licensed physician objectively identified and diagnosed.

The Superintendent or designee shall ensure that the ergonomics program be designed to minimize RMIs in accordance with law. The program shall be composed of the following components: (8 CCR 5110)

1. Worksite evaluation

Each job, process or operation of identical work activity, or a representative number of such jobs, processes or operations of identical activities, shall be evaluated for exposures which have caused RMIs.

2. Control of exposures which have caused RMIs

Any exposures that have caused RMIs shall, in a timely manner, be corrected or, if not capable of being corrected, be minimized to the extent feasible. The district shall consider engineering controls, such as work station redesign, adjustable fixtures or tool redesign, and administrative controls such as job station, work pacing or work breaks.

3. Training

Employees shall be provided training that includes an explanation of:

- a. The district's program
- b. The exposures that have been associated with RMIs
- c. The symptoms and consequences of injuries caused by repetitive motion
- d. The importance of reporting symptoms and injuries to the employer
- e. Methods used by the district to minimize RMIs

(cf. 3515.2 - Disruptions)

Reports of attack, assault, or threat shall be forwarded immediately to the Superintendent or designee.

(cf. 3320 - Claims and Actions Against the District)

(cf. 3515.4 - Recovery for Property Loss or Damage)

(cf. 3530 - Risk Management/Insurance)

Notice Regarding Student Offenses Committed While Under School Jurisdiction

The Superintendent or designee shall inform the teacher(s) of each student who has engaged in, or is reasonably suspected of, any act during the previous three school years which could constitute grounds for suspension or expulsion under Education Code 48900, with the exception of the possession or use of tobacco products, or Education Code 48900.2, 48900.3, 48900.4, or 48900.7. This information shall be based upon district records maintained in the ordinary course of business or records received from a law enforcement agency. (Education Code 49079)

(cf. 5125 - Student Records)

(cf. 5144.1 - Suspension and Expulsion/Due Process)

Upon receiving a transfer student's record regarding acts committed by the student that resulted in his/her suspension or expulsion, the Superintendent or designee shall inform the student's teacher(s) that the student was suspended or expelled from his/her former district and of the act that resulted in the suspension or expulsion. (Education Code 48201)

Information received by teacher(s) shall be received in confidence for the limited purpose for which it was provided and shall not be further disseminated by the teacher. (Education Code 49079)

Notice Regarding Student Offenses Committed While Outside School Jurisdiction

When a minor student has been found by a court of competent jurisdiction to have illegally used, sold, or possessed a controlled substance or committed specified crimes involving serious acts of violence, the district police or security department may provide written notification to the Superintendent. (Welfare and Institutions Code 828.1)

(cf. 3515.3 - District Police/Security Department)

When informed by the court that a minor student has been found by a court to have committed any felony or any misdemeanor involving curfew, gambling, alcohol, drugs, tobacco products, carrying of weapons, a sex offense listed in Penal Code 290, assault or battery, larceny, vandalism, or graffiti, the Superintendent or designee shall so inform the school principal. (Welfare and Institutions Code 827)

The principal shall disseminate this information to any counselor who directly supervises or reports on the student's behavior or progress. The principal also may inform any teacher or administrator he/she thinks may need the information so as to work with the student appropriately, avoid being needlessly vulnerable, or protect others from vulnerability. (Welfare and Institutions Code 827)

Any court-initiated information that a teacher, counselor, or administrator receives shall be kept confidential and used only to rehabilitate the student and protect other students and staff. The information shall be further disseminated only when communication with the student, parent/guardian, law enforcement staff, and probation officer is necessary to rehabilitate the student or to protect students and staff. (Welfare and Institutions Code 827)

When a student is removed from school as a result of his/her offense, the Superintendent shall hold the court's information in a separate confidential file until the student is returned to the district. If the student is returned to a different district, the Superintendent shall transmit the information provided by the student's parole or probation officer to the superintendent of the new district of attendance. (Welfare and Institutions Code 827)

Any confidential file of court-initiated information shall be kept until the student becomes 18, graduates from high school, or is released from juvenile court jurisdiction, whichever occurs

first, and shall then be destroyed. (Welfare and Institutions Code 827)

Procedures to Maintain Confidentiality of Student Offenses

In order to maintain confidentiality when providing information about student offenses to counselors and teachers of classes/programs to which a student is assigned, the principal or designee shall send the staff member a written notification that one of his/her students has committed an offense that requires his/her review of a student's file in the school office. This notice shall not name or otherwise identify the student. The staff member shall be asked to initial the notification and return it to the principal or designee.

The staff member shall also initial the student's file when reviewing it in the school office. Once the district has made a good faith effort to comply with the notification requirement of Education Code 49079 and Welfare and Institutions Code 827, an employee's failure to review the file constitutes district compliance with the requirement to provide notice to the teacher.

Use of Pepper Spray

Employees who possess pepper spray on school property shall be notified of the following conditions:

1. The pepper spray shall be used only in self-defense.
2. An employee who uses pepper spray other than in self-defense shall be subject to disciplinary action by the district and, in accordance with law, a fine and/or imprisonment.

(cf. 4118 - Suspension/Disciplinary Action)

(cf. 4218 - Dismissal/Suspension/Disciplinary Action)

Employees wishing to carry pepper spray on school property or to a school-related activity shall submit to the Superintendent or designee a written request setting forth the need for the pepper spray. Should the Superintendent or designee determine that the employee may not carry pepper spray, the employee shall receive a written statement of the reason for this determination.

Personal Illness/Injury Leave

AR 4161.1

Personnel

Certificated employees employed five school days per week are entitled to 10 days' leave of absence with full pay for personal illness or injury (sick leave); per school year of service. Employees who work less than five school days per week (part-time employees) shall be granted sick leave in proportion to the time they work. However, any part-time employee who is entitled to less than three days of paid sick leave per year due to the amount of time worked shall be granted sick leave pursuant to Labor Code 246, if he/she is eligible. (Education Code 44978; Labor Code 245-249)

(cf. 4161/4261/4361 - Leaves)

(cf. 4161.9/4261.9/4361.9 - Catastrophic Leave Program)

Use of Sick Leave

Certificated employees may use sick leave for absences due to:

1. Accident or illness, whether or not the absence arises out of or in the course of employment; quarantine which results from contact with other persons having a contagious disease during the employee's performance of his/her duties; or temporary inability to perform assigned duties because of illness, accident, or quarantine (Education Code 44964)

(cf. 4157.1/4257.1/4357.1 - Work-Related Injuries)

2. Pregnancy, miscarriage, childbirth, and related recovery (Education Code 44965, 44978)

(cf. 4161.8/4261.8/4361.8 - Family Care and Medical Leave)

3. Personal necessity (Education Code 44981)

(cf. 4161.2/4261.2/4361.2 - Personal Leaves)

4. Medical and dental appointments, in increments of not less than one hour

5. Industrial accidents or illnesses when leave granted specifically for that purpose has been exhausted (Education Code 44984)

(cf. 4161.11/4261.11/4361.11 - Industrial Accident/Illness Leave)

6. Need of the employee or his/her family member, as defined in Labor Code 245.5, for the diagnosis, care, or treatment of an existing health condition or for preventive care (Labor Code 233, 246.5)

7. Need of the employee to seek or obtain any relief or medical attention specified in Labor Code 230(c) and/or 230.1(a) for the health, safety, or welfare of the employee, or his/her child, when the employee has been a victim of domestic violence, sexual assault, or stalking (Labor Code 233, 246.5)

For the purposes specified in items #6-7, an employee may use, in any calendar year, the amount of sick leave he/she would accrue during six months at his/her current rate of entitlement. (Labor Code 233)

An employee may take sick leave at any time during the school year, even if credit for sick leave has not yet been accrued. (Education Code 44978)

An employee shall reimburse the district for any unearned sick leave used as of the date of his/her termination.

Unused days of sick leave shall be accumulated from year to year without limitation. (Education Code 44978)

At the beginning of each school year, employees shall be notified of the amount of sick leave they have accumulated.

The district shall not require new employees to waive leave accumulated in a previous district. (Education Code 44979, 44980)

The Superintendent or designee shall notify any certificated employee who leaves the district after at least one school year of employment that if the employee accepts a certificated position in another district, county office of education, or community college district within one year, he/she may request that the district transfer his/her accumulated sick leave to the new employer. (Education Code 44979, 44980)

Additional Leave for Disabled Military Veterans

In addition to any other entitlement for sick leave with pay, a newly hired certificated employee who is a military veteran with a military service-connected disability rated at 30 percent or more by the U.S. Department of Veterans Affairs shall be entitled to sick leave with pay of up to 10 days for the purpose of undergoing medical treatment for his/her military service-connected disability. An eligible employee employed less than five days per week shall be entitled to such leave in proportion to the time he/she works. (Education Code 44978.2)

The amount of leave shall be credited to the employee on the first day of employment and shall remain available for the following 12 months of employment. Leave not used during the 12-month period shall not be carried over and shall be forfeited. (Education Code 44978.2)

The Superintendent or designee may require verification, in accordance with the section "Verification Requirements" below, that the employee used the leave to obtain treatment of a military service-connected disability.

Notification of Absence

An employee shall notify the district of his/her need to be absent as soon as such need is known, so that substitute services may be secured. This notification shall include an estimate of the expected duration of absence. If the absence becomes longer than estimated, the employee shall so notify the district. If the duration of absence becomes shorter than estimated, the employee shall notify the district not later than three o'clock in the afternoon of the day preceding the day on which he/she intends to return to work. If the employee fails to notify the district and the failure results in a substitute being secured, the cost of the substitute shall be deducted from the employee's pay.

(cf. 4121 - Temporary/Substitute Personnel)

Continued Absence After Available Sick Leave Is Exhausted/Differential Pay

During each school year, when a certificated employee has exhausted all available sick leave, including all accumulated sick leave, and, due to illness or accident, continues to be absent from his/her duties for an additional period of up to five school months, the employee shall receive his/her regular salary minus the actual cost of a substitute to fill the position. If the district has made every reasonable effort to secure the services of a substitute and has been unable to do so, the amount that would have been paid to a substitute shall be deducted from the employee's salary.

An employee shall not be provided more than one five-month period per illness or accident. However, if the school year ends before the five-month period is exhausted, the employee may take the balance of the five-month period in a subsequent school year. (Education Code 44977)

During each school year, any certificated employee who has exhausted all available sick leave, including accumulated sick leave, and continues to be absent on account of parental leave (baby bonding) pursuant to Government Code 12945.2 shall receive differential pay for up to 12 work weeks. The 12-week period shall be reduced by any period of sick leave, including accumulated sick leave, taken during a period of such parental leave. Such parental leave shall run concurrently with the parental leave taken pursuant to Government Code 12945.2 and the aggregate amount of parental leave shall not exceed 12 work weeks in a 12-month period. Eligibility for parental leave pursuant to Education Code 44977.5 shall not require 1,250 hours of service with the district during the previous 12 months. (Education Code 44977.5)

In addition, during each school year, any certificated employee who has exhausted all available

sick leave, including accumulated sick leave, and continues to be absent on account of maternity or paternity leave (baby bonding) pursuant to Government Code 12945.2 shall receive, for up to 12 school weeks, his/her regular salary minus the actual cost of a substitute to fill the position or, if no substitute was employed, the amount that would have been paid had a substitute been employed. The 12-week period shall be reduced by any period of sick leave, including accumulated sick leave, taken during a period of such maternity or paternity leave. (Education Code 44977.5)

If a certificated employee is not medically able to resume his/her duties after the five-month period provided pursuant to Education Code 44977, the employee shall be placed either in another position or on a reemployment list. Placement on the reemployment list shall be for 24 months for probationary employees or 39 months for permanent employees and shall begin at the expiration of the five-month period. If during this time the employee becomes medically able, he/she shall be returned to employment in a position for which he/she is credentialed and qualified. (Education Code 44978.1)

(cf. 4116 - Probationary/Permanent Status)

Verification Requirements

After any absence due to illness or injury, the employee shall verify the absence by submitting a completed and signed district absence form to his/her immediate supervisor.

The Superintendent or designee may require verification whenever an employee's absence record shows chronic absenteeism or a pattern of absences immediately before or after weekends and/or holidays or whenever available evidence clearly indicates that an absence is not related to illness or injury.

In addition, the Superintendent or designee may require an employee to visit a physician selected by the district, at district expense, in order to receive a report on the medical condition of the employee. The report shall include a statement as to the employee's need for further leave of absence and a prognosis as to when the employee will be able to return to work. If the report concludes that the employee's condition does not warrant continued absence, the Superintendent or designee may, after giving notice to the employee, deny further leave.

Any district request for additional verification by an employee's physician or a district-selected physician shall be in writing and shall specify that the report to be submitted to the district should not contain the employee's genetic information.

Any genetic information received by the district on behalf of an employee shall be treated as a confidential medical record, maintained in a file separate from the employee's personnel file, and shall not be disclosed except in accordance with 29 CFR 1635.9.

Before returning to work, an employee who has been absent for surgery, hospitalization, or extended medical treatment may be asked to submit a letter from his/her physician stating that he/she is able to return to duty and stipulating any necessary restrictions or limitations.

(cf. 4032 - Reasonable Accommodation)

(cf. 4113.4/4213.4/4313.4 - Temporary Modified/Light-Duty Assignment)

Healthy Workplaces, Healthy Families Act Requirements

No employee shall be denied the right to use accrued sick days, and the district shall not in any manner discriminate or retaliate against an employee for using or attempting to use sick leave, filing a complaint with the Labor Commissioner, or alleging district violation of Labor Code 245-249.

To ensure the district's compliance with Labor Code 245-249, the Superintendent or designee shall:

1. At a conspicuous location in each workplace, display a poster on paid sick leave that includes the following information:
 - a. That an employee is entitled to accrue, request, and use paid sick days
 - b. The amount of sick days provided by Labor Code 245-249
 - c. The terms of use of paid sick days
 - d. That discrimination or retaliation against an employee for requesting and/or using sick leave is prohibited by law and an employee has the right to file a complaint with the Labor Commissioner if the district discriminates or retaliates against him/her
2. Provide at least 24 hours or three days of paid sick leave to each eligible employee to use per year and allow eligible employees to use accrued sick leave upon reasonable request
3. Provide eligible employees written notice, on their pay stub or other document issued with their pay check, of the amount of paid sick leave they have available

(cf. 4112.9/4212.9/4312.9 - Employee Notifications)

4. Keep a record documenting the hours worked and paid sick days accrued and used by each eligible employee for three years

Personnel

Personal leaves granted to district employees shall be used as permitted in this administrative regulation, other Board-approved policy or district regulation, or applicable collective bargaining agreement.

For the purpose of any personal leave offered pursuant to state law, a registered domestic partner shall have the same rights, protections, and benefits as a spouse and protections provided to a spouse's child shall also apply to a child of a registered domestic partner. (Family Code 297.5)

Whenever possible, employees shall request personal leaves in advance and prepare suitable instructions, including lesson plans as applicable, for a substitute employee.

(cf. 4121 - Temporary/Substitute Personnel)

Bereavement

Employees are entitled to a leave of up to three days, or five days if out-of-state travel is required, upon the death of any member of the employee's immediate family. No deduction shall be made from the employee's salary, nor shall such leave be deducted from any other leave to which the employee is entitled. (Education Code 44985, 45194)

(cf. 4161/4261/4361 - Leaves)

Members of the immediate family include: (Education Code 44985, 45194)

Leave for personal necessity may be allowed for other reasons at the discretion of the Superintendent or designee. However, personal necessity leave shall not be granted for purposes of personal convenience, for the extension of a holiday or vacation, or for matters which can be taken care of outside of working hours. The Superintendent or designee shall have final discretion as to whether or not a request reflects personal necessity.

Advance permission shall not be required of an employee in any case involving the death of a member of the employee's immediate family, an accident involving the employee's person or property or the person or property of a member of his/her immediate family, or the illness, preventive care, or other need of a member of the employee's family. (Education Code 44981, 45207)

For any leave that is planned, or where the need for leave is foreseeable, an employee shall notify the Superintendent or designee in advance. In all other circumstances, the employee shall notify the Superintendent or designee of the need for the leave as soon as practicable.

After any absence due to personal necessity, the employee shall verify the absence by submitting

a completed and signed district absence form to his/her immediate supervisor.

Legal Duties

An employee may take time off work in order to: (Labor Code 230)

1. Serve on an inquest jury or trial jury

Professional Leaves

AR 4161.3

Personnel

The Governing Board may grant a leave of absence of up to one year to certificated employees for the purpose of permitting study or travel which will benefit the schools and students of the district. (Education Code 44966)

(cf. 4161/4261/4361 - Leaves)

To be eligible for a leave of absence for these purposes, the employee must have served in the district for at least seven consecutive years preceding the leave. No more than one such leave of absence shall be granted in each seven-year period. No other types of leaves shall be considered a break in service for purposes of meeting this requirement and the period of such absence shall not be included as service in computing the seven consecutive years of service required for a professional leave. (Education Code 44967)

The Board may require that such leaves of absence be taken in separate six-month periods or separate quarters as long as the total leave is completed within three years. Any period of service by the employee between the separate periods of leave shall comprise a part of the service required for a subsequent leave of absence. (Education Code 44966)

Every employee granted a leave of absence for these purposes may be required to perform such services during the leave as the Board and employee agree upon in writing. (Education Code 44968)

Compensation during the leave shall be paid in the manner authorized by Education Code 44969 and 44970.

Unless the employee agrees in writing with the Board not to receive compensation during the leave, the employee shall receive such compensation during the leave as the Board and employee agree upon in writing, which shall be not less than the difference between the employee's salary and the salary of a substitute employee. In lieu of such a difference, the Board may pay one-half of the salary of the employee or any additional amount up to and including the full salary of the employee. (Education Code 44968, 44968.5)

As a condition to being granted such leave, the employee shall agree in writing to render service in the district following his/her return for a period equal to twice the period of the leave. (Education Code 44969)

At the end of the leave, the employee shall be reinstated in the position he/she held when the

leave was granted. (Education Code 44973)

In the case of a certificated probationary employee, the period of such absence shall not count as part of the service required to obtain permanent status, but shall not be construed as a break in the continuity of service for any purpose. (Education Code 44800)

(cf. 4116 - Probationary/Permanent Status)

Reinstatement Rights

At the conclusion of the military duty, an employee shall be promptly reinstated in the position held at the beginning of the leave, at the salary to which he/she would otherwise have been entitled, except under the conditions noted below. (Education Code 44800; Military and Veterans Code 395, 395.2; 38 USC 4304, 4313; 20 CFR 1002.180-1002.181)

2. For a leave of 31-180 days, the employee shall submit a written or verbal application for reinstatement not later than 14 days after the completion of military service.
3. For a leave of more than 180 days, the employee shall submit a written or verbal application for reinstatement within 90 days after the completion of military service.

In cases where reporting within the periods specified in items #1 and #2 above is impossible or unreasonable through no fault of the employee, he/she shall report as soon as possible after the expiration of the period. (38 USC 4312; 20 CFR 1002.115, 1002.117)

An employee who is hospitalized for, or convalescing from, an illness or injury incurred in or aggravated during the performance of military service shall report for duty or submit an application for reinstatement at the end of the period that is necessary to recover from such illness or injury, but no more than two years after the completion of military service unless circumstances beyond the employee's control make reporting within the two-year period impossible or unreasonable. (38 USC 4312; 20 CFR 1002.116)

(cf. 4032 - Reasonable Accommodation)

Upon receiving an application for reinstatement, the Superintendent or designee shall reinstate the employee as soon as practicable under the circumstances of his/her case, but within a time period not to exceed two weeks, absent unusual circumstances. (20 CFR 1002.181)

If the employee's previous position has been abolished, he/she shall be reinstated in a position of like seniority, status, and pay, if such position exists, or to a comparable vacant position for which he/she is qualified. (Military and Veterans Code 395, 395.1; 38 USC 4313; 20 CFR 1002.192)

An employee failing to apply for reinstatement within the appropriate period does not automatically forfeit his/her rights, but shall be subject to the Board's rules governing unexcused

absences. (38 USC 4312)

The Superintendent or designee may elect not to reinstate an employee following military leave if any of the following conditions exists:

1. The district's circumstances have so changed as to make such re-employment impossible or unreasonable, such as a reduction in force that would have included the employee. (38 USC 4312; 20 CFR 1002.139)
2. The accommodation, training, or effort described in 38 USC 4313(a)(3), (a)(4), or (b)(2)(B) would impose an undue hardship on the district as defined in 20 CFR 1002.5 or 1002.198. (38 USC 4312; 20 CFR 1002.139)
3. The employee's position was for a brief, non-recurrent period and there was no reasonable expectation that such employment will continue indefinitely or for a significant period. (38 USC 4312; 20 CFR 1002.139)
4. The employee's cumulative length of absence and length of all previous military leave while employed with the district exceeds five years, excluding those training and service obligations specified in 38 USC 4312(c). (38 USC 4312; 20 CFR 1002.99-1002.103)
5. The employee was separated from military service with a disqualifying discharge or under other than honorable conditions. (Military and Veterans Code 395.1; 20 USC 4304, 4312; 20 CFR 1002.134-1002.138)

This requirement may be met by posting the notice where the district customarily places notices for employees. (38 USC 4334)

Serious health condition means an illness, injury (including, but not limited to, on-the-job injuries), impairment, or physical or mental condition of the employee or his/her child, parent, or spouse, including, but not limited to, treatment for substance abuse, that involves either of the following: (Government Code 12945.2; 2 CCR 11087, 11097; 29 USC 2611; 29 CFR 825.113-825.115)

1. Inpatient care in a hospital, hospice, or residential health care facility, any subsequent treatment in connection with such inpatient care, or any period of incapacity

A person is considered an inpatient when a health care facility formally admits him/her to the facility with the expectation that he/she will remain overnight and occupy a bed, even if it later develops that the person can be discharged or transferred to another facility and does not actually remain overnight.

Incapacity means the inability to work, attend school, or perform other regular daily activities due to a serious health condition, its treatment, or the recovery that it requires.

2. Continuing treatment or continuing supervision by a health care provider, including one or more of the following:

a. A period of incapacity of more than three consecutive full days

b. Any period of incapacity or treatment for such incapacity due to a chronic serious health condition

c. Any period of incapacity due to pregnancy or for prenatal care under FMLA

d. Any period of incapacity which is permanent or long term due to a condition for which treatment may not be effective

e. Any period of absence to receive multiple treatments, including recovery, by a health care provider

Spouse means a partner in marriage as defined in Family Code 300, including same sex partners in marriage, or a registered domestic partner within the meaning of Family Code 297-297.5. (Family Code 297, 297.5, 300; 2 CCR 11087; 29 CFR 825.122)

Eligibility

The district shall grant FMLA or CFRA leave to eligible employees for any of the following reasons: (Government Code 12945.2; 29 USC 2612; 29 CFR 825.112)

1. The birth of a child of the employee or placement of a child with the employee in connection with the employee's adoption or foster care of the child (baby bonding)
2. To care for the employee's child, parent, or spouse with a serious health condition
3. The employee's own serious health condition that makes him/her unable to perform one or more essential functions of his/her position
4. Any qualifying exigency arising out of the fact that the employee's spouse, child, or parent is a military member on covered active duty or call to covered active duty (or has been notified of an impending call or order to covered active duty)
5. To care for a covered servicemember with a serious injury or illness if the covered servicemember is the employee's spouse, child, parent, or next of kin, as defined

In addition, the district shall grant PDL to any female employee who is disabled by pregnancy, childbirth, or other related medical condition. (Government Code 12945; 2 CCR 11037)

Terms of Leave

An eligible employee shall be entitled to a total of 12 work weeks of FMLA or CFRA leave during any 12-month period, except in the case of leave to care for a covered servicemember as provided under "Military Caregiver Leave" below. To the extent allowed by law, CFRA and FMLA leaves shall run concurrently. (Government Code 12945.2; 29 USC 2612)

This 12-month period shall be a rolling period measured backward from the date an employee uses any family care and medical leave, as defined in 29 CFR 825.200. (29 CFR 825.200)

In addition, for each pregnancy, any female employee who is disabled by pregnancy, childbirth, or other related condition shall be entitled to PDL for the period of the disability not to exceed four months. For a part-time employee, the four months shall be calculated on a proportional basis. (Government Code 12945; 2 CCR 11042)

PDL shall run concurrently with FMLA leave for disability caused by an employee's pregnancy. At the end of the employee's FMLA leave for disability caused by pregnancy, or at the end of four months of PDL, whichever occurs first, a CFRA-eligible employee may request to take CFRA leave of up to 12 work weeks, for the reason of the birth of her child or to bond with or care for the child. (Government Code 12945, 12945.2; 2 CCR 11046, 11093)

Leave taken for the birth or placement of a child must be concluded within the 12-month period beginning on the date of the birth or placement of the child. Such leave does not need to be taken in one continuous period of time. (2 CCR 11090; 29 USC 2612)

If both parents of a child work for the district, their family care and medical leave related to the birth or placement of the child shall be limited to a combined total of 12 work weeks. This restriction shall apply regardless of the legal status of both parents' relationship. (Government Code 12945.2; 2 CCR 11088; 29 USC 2612)

Use/Substitution of Paid Leave

An employee shall use his/her accrued vacation leave, other accrued time off, and any other paid time off negotiated with the district for any otherwise unpaid FMLA or CFRA leave not involving his/her own serious health condition. For PDL, CFRA, or FMLA leave due to an employee's own serious health condition, the employee shall use accrued sick leave and may use accrued vacation leave and other paid time off at his/her option. (Government Code 12945, 12945.2; 2 CCR 11044; 29 USC 2612)

The district and employee may also negotiate for the employee's use of any additional paid or unpaid time off instead of using the employee's CFRA leave. (2 CCR 11092)

(cf. 4141/4241 - Collective Bargaining Agreement)

(cf. 4161/4261/4361 - Leaves)

(cf. 4161.1/4361.1 - Personal Illness/Injury Leave)

(cf. 4261.1 - Personal Illness/Injury Leave)

Intermittent Leave/Reduced Work or Leave Schedule

PDL and family care and medical leave for the serious health condition of an employee or his/her child, parent, or spouse may be taken intermittently or on a reduced work or leave schedule when medically necessary, as determined by the health care provider of the person with the serious health condition. However, the district shall limit leave increments to the shortest period of time that the district's payroll system uses to account for absences or use of leave provided it is not to be greater than one hour. (2 CCR 11042, 11090; 29 USC 2612)

The basic minimum duration of leave for the birth or placement of a child shall be two weeks. However, the district shall grant a request for such leave of less than two weeks on any two occasions. (2 CCR 11090; 29 USC 2612)

The district may require an employee to transfer temporarily to an available alternative position if the employee is pregnant and provides medical certification from her health care provider of a medical need for intermittent leave or leave on a reduced work or leave schedule or if the employee's need for the intermittent leave or leave on a reduced work or leave schedule is foreseeable based on his/her planned medical treatment or that of a family member. This alternative position must have equivalent pay and benefits and must better accommodate recurring periods of leave than the employee's regular job, and the employee must be qualified for the position. Transfer to an alternative position may include altering an existing job to better accommodate the employee's need for intermittent leave or a reduced work or leave schedule. (2 CCR 11041, 11090; 29 USC 2612)

(cf. 4113.4/4213.4/4313.4 - Temporary Modified/Light-Duty Assignment)

Request for Leave

The district shall consider an employee's request for PDL or family care and medical leave only if the employee provides at least verbal notice sufficient to make the district aware of the need to take the leave and the anticipated timing and duration of the leave. (2 CCR 11050, 11091)

For family care and medical leave, the employee need not expressly assert or mention FMLA/CFRA to satisfy this requirement. However, he/she must state the reason the leave is needed (e.g., birth of child, medical treatment). If more information is necessary to determine whether the employee is eligible for family care and medical leave, the Superintendent or designee shall inquire further and obtain the necessary details of the leave to be taken. (2 CCR 11091)

The district shall respond to requests for leave as soon as practicable, but no later than five business days after receiving the employee's request. (2 CCR 11091)

Based on the information provided by the employee, the Superintendent or designee shall designate the leave, paid or unpaid, as FMLA/CFRA qualifying leave and shall give notice of such designation to the employee. Failure of an employee to respond to permissible inquiries regarding the leave request may result in denial of CFRA protection if the district is unable to determine whether the leave is CFRA qualifying. (2 CCR 11091; 29 CFR 825.300)

When an employee is able to foresee the need for the PDL or family care and medical leave at least 30 days in advance of the leave, the employee shall provide the district with at least 30 days advance notice before the leave. When the 30 days notice is not practicable because of a lack of knowledge of when leave will be required to begin, a change in circumstances, a medical emergency, or other good cause, the employee shall provide the district with notice as soon as practicable. Failure of an employee to provide required notice may result in a denial of leave. (2 CCR 11050, 11091)

In all instances, the employee shall consult with the Superintendent or designee and make a reasonable effort to schedule, subject to the health care provider's approval, any planned appointment or medical treatment or supervision so as to minimize disruption to district operations. (Government Code 12945.2; 2 CCR 11050, 11091)

Certification of Health Condition

Within five business days of an employee's request for family care and medical leave for his/her own or his/her child's, parent's, or spouse's serious health condition, the Superintendent or designee shall request that the employee provide certification by a health care provider of the need for leave. Upon receiving the district's request, the employee shall provide the certification within 15 days, unless either the Superintendent or designee provides additional time or it is not practicable under the particular circumstances, despite the employee's diligent, good faith efforts.

(2 CCR 11091; 29 CFR 825.305)

The certification shall include the following: (Government Code 12945.2; 2 CCR 11087; 29 USC 2613)

1. The date on which the serious health condition began
2. The probable duration of the condition
3. If the employee is requesting leave to care for a child, parent, or spouse with a serious health condition, both of the following:
 - a. Statement that the serious health condition warrants the participation of the employee to provide care, such as by providing psychological comfort, arranging for third party care, or directly providing or participating in the medical care of the child, parent, or spouse during a period of the treatment or supervision
 - b. Estimated amount of time the health care provider believes the employee needs to care for the child, parent, or spouse
4. If the employee is requesting leave because of his/her own serious health condition, a statement that due to the serious health condition, he/she is unable to work at all or is unable to perform one or more essential functions of his/her job
5. If the employee is requesting leave for intermittent treatment or on a reduced work or leave schedule for planned medical treatment, a statement of the medical necessity for the leave, the dates on which treatment is expected to be given, the duration of such treatment, and the expected duration of the leave

When an employee has provided sufficient medical certification to enable the district to determine whether the employee's leave request is FMLA/CFRA-eligible, the Superintendent or designee shall notify the employee within five business days whether the leave is FMLA/CFRA-eligible. The Superintendent or designee may also retroactively designate leave as FMLA/CFRA leave as long as appropriate notice is given to the employee and there is no harm or injury to the employee. (2 CCR 11091; 29 CFR 825.301)

If the Superintendent or designee doubts the validity of a certification that accompanies a request for leave for the employee's own serious health condition, he/she may require the employee to obtain a second opinion from a district-approved health care provider, at district expense. If the second opinion is contrary to the first, the Superintendent or designee may require the employee to obtain a third medical opinion from a third health care provider approved by both the employee and the district, again at district expense. The opinion of the third health care provider shall be final and binding. (Government Code 12945.2; 2 CCR 11091; 29 USC 2613)

For PDL, the Superintendent or designee shall request that the employee provide certification by a health care provider of the need for leave at the time the employee gives notice of the need for

PDL, or within two business days of giving the notice. If the need for PDL is unforeseen, the Superintendent or designee shall request the medical certification within two business days after the leave commences. The Superintendent or designee may request certification at some later date if he/she has reason to question the appropriateness of the leave or its duration. (2 CCR 11050)

For PDL that is foreseeable and for which at least 30 days notice has been given, the employee shall provide the medical certification before the leave begins. When this is not practicable, the employee shall provide the certification within the time frame specified by the Superintendent or designee which must be at least 15 days after the request, unless it is not practicable under the particular circumstances despite the employee's diligent, good faith efforts. (2 CCR 11050)

Medical certification for PDL purposes shall include a statement that the employee needs to take the leave because she is disabled by pregnancy, childbirth, or a related medical condition, the date on which the employee became disabled because of pregnancy, and the estimated duration of the leave. (2 CCR 11050)

If additional PDL or family care and medical leave is needed when the time estimated by the health care provider expires, the district may require the employee to provide recertification in the manner specified for the leave. (Government Code 12945.2; 2 CCR 11050; 29 USC 2613)

The Superintendent or designee shall not request any genetic information related to an employee except as authorized by law in accordance with the California Genetic Information Nondiscrimination Act of 2011.

Release to Return to Work

Upon expiration of an employee's PDL or family care and medical leave taken for his/her own serious health condition, the employee shall present certification from the health care provider that he/she is able to resume work.

(cf. 4112.4/4212.4/4312.4 - Health Examinations)

The certification from the employee's health care provider shall address the employee's ability to perform the essential functions of his/her job.

Rights to Reinstatement

Upon granting an employee's request for PDL or FMLA/CFRA leave, the Superintendent or designee shall guarantee to reinstate the employee in the same or a comparable position when the leave ends. (Government Code 12945.2; 2 CCR 11043, 11089; 29 USC 2614)

However, the district may refuse to reinstate an employee returning from FMLA or CFRA leave to the same or a comparable position if all of the following apply: (Government Code 12945.2; 2 CCR 11089; 29 USC 2614)

1. The employee is a salaried "key employee" who is among the highest paid 10 percent of district employees who are employed within 75 miles of the employee's worksite.
2. The refusal is necessary to prevent substantial and grievous economic injury to district operations.
3. The district informs the employee of its intent to refuse reinstatement at the time it determines that the refusal is necessary, and the employee fails to immediately return to service.

(cf. 4117.3 - Personnel Reduction)

(cf. 4217.3 - Layoff/Rehire)

The district may also refuse to reinstate an employee to the same or a comparable position if the FMLA/CFRA leave was fraudulently obtained by the employee. (2 CCR 11089; 29 CFR 825.216)

The district may refuse to reinstate an employee to the same position after taking PDL if, at the time the reinstatement is requested, the employee would not otherwise have been employed in that position for legitimate business reasons unrelated to the employee's PDL. (2 CCR 11043)

Maintenance of Benefits/Failure to Return from Leave

During the period when an employee is on PDL or family care and medical leave, he/she shall maintain his/her status with the district and the leave shall not constitute a break in service for purposes of longevity, seniority under any collective bargaining agreement, or any employee benefit plan. (Government Code 12945.2; 2 CCR 11092; 29 USC 2614)

For up to a maximum of four months for PDL and 12 work weeks for other family care and medical leave, the district shall continue to provide an eligible employee the group health plan coverage that was in place before he/she took the leave. The employee shall reimburse the district for premiums paid during the leave if he/she fails to return to district employment after the expiration of all available leaves and the failure is for a reason other than the continuation, recurrence, or onset of a serious health condition or other circumstances beyond his/her control. (Government Code 12945.2; 2 CCR 11044, 11092; 29 USC 2614; 29 CFR 825.213)

(cf. 4154/4254/4354 - Health and Welfare Benefits)

In addition, during the period when an employee is on PDL or family care and medical leave, the employee shall be entitled to continue to participate in other employee benefit plans including life insurance, short-term or long-term disability insurance, accident insurance, pension and retirement plans, and supplemental unemployment benefit plans to the same extent and under the same conditions as would apply to an unpaid leave taken for any other purpose. However, for purposes of pension and retirement plans, the district shall not make plan payments for an employee during any unpaid portion the leave period and the leave period shall not be counted for purposes of time accrued under the plan. (Government Code 12945.2; 2 CCR 11044, 11092)

Military Family Leave Resulting from Qualifying Exigencies

An eligible employee may take up to 12 work weeks of unpaid FMLA leave, during each 12-month period established by the district in the section entitled "Terms of Leave" above, for one or more qualifying exigencies while his/her child, parent, or spouse who is a military member is on covered active duty or on call to covered active duty status. (29 USC 2612; 29 CFR 825.126)

Covered active duty means duty during the deployment of a member of the regular Armed Forces to a foreign country or duty during the deployment of a member of the National Guard or Reserves to a foreign country under a call or an order to active duty in support of a contingency operation pursuant to law. (29 USC 2611; 29 CFR 825.126)

Qualifying exigencies include time needed to: (29 CFR 825.126)

1. Address issues arising from short notice deployment of up to seven calendar days from the date of receipt of call or order of short notice deployment
2. Attend military events and related activities, such as any official ceremony or family assistance program related to the covered active duty or call to covered active duty status
3. Arrange child care or attend school activities arising from the covered active duty or call to covered active duty, such as arranging for alternative child care, enrolling or transferring a child to a new school, or attending meetings
4. Make or update financial and legal arrangements to address a military member's absence
5. Attend counseling provided by someone other than a health care provider
6. Spend time (up to 15 days of leave per instance) with a military member who is on short-term, temporary, Rest and Recuperation leave during deployment
7. Attend to certain post-deployment activities, such as arrival ceremonies or reintegration briefings
8. Care for a military member's parent who is incapable of self-care when the care is necessitated by the military member's covered active duty
9. Address any other event that the employee and district agree is a qualifying exigency

The employee shall provide the Superintendent or designee with notice of the need for the qualifying exigency leave as soon as practicable, regardless of how far in advance such leave is foreseeable. (29 CFR 825.302)

An employee who is requesting leave for qualifying exigencies shall provide the Superintendent or designee with a copy of the military member's active duty orders, or other documentation issued by the military, and the dates of the service. In addition, the employee shall provide the

Superintendent or designee with certification of the qualifying exigency necessitating the leave. The certification shall contain the information specified in 29 CFR 825.309.

The employee's qualifying exigency leave may be taken on an intermittent or reduced work or leave schedule basis. (29 CFR 825.302)

During the period of qualified exigency leave, the district's rule regarding an employee's use of his/her accrued vacation leave and any other accrued paid or unpaid time off, as specified in the section "Use/Substitution of Paid Leave" above, shall apply.

Military Caregiver Leave

The district shall grant an eligible employee up to a total of 26 work weeks of leave during a single 12-month period, measured forward from the first date the leave is taken, to care for a covered servicemember with a serious illness or injury. In order to be eligible for such military caregiver leave, the employee must be the spouse, son, daughter, parent, or next of kin of the covered servicemember. This 26-week period is not in addition to, but rather is inclusive of, the 12 work weeks of leave that may be taken for other FMLA qualifying reasons. (29 USC 2611, 2612; 29 CFR 825.127)

Covered servicemember may be: (29 CFR 825.127)

1. A current member of the Armed Forces, including a member of the National Guard or Reserves, who is undergoing medical treatment, recuperation, or therapy; is otherwise in outpatient status; or is otherwise on the temporary disability retired list for a serious injury or illness
2. A veteran who was discharged or released under conditions other than dishonorable at any time during the five-year period prior to the first date the eligible employee takes FMLA leave to care for the covered veteran

Son or daughter of a covered servicemember means the biological, adopted, or foster child, stepchild, legal ward, or a child of any age for whom the covered servicemember stood in loco parentis. (29 CFR 825.127)

Parent of a covered servicemember means the covered servicemember's biological, adopted, step, or foster parent, or any other individual who stood in loco parentis to the covered servicemember (except "parents in law"). (29 CFR 825.127)

Next of kin means the nearest blood relative to the covered servicemember, or as designated in writing by the covered servicemember. (29 USC 2611, 2612)

Outpatient status means the status of a member of the Armed Forces assigned to a military medical treatment facility as an outpatient or a unit established for the purpose of providing command and control of members of the Armed Forces receiving medical care as outpatients. (29 USC 2611; 29 CFR 825.127)

Serious injury or illness means: (29 USC 2611; 29 CFR 825.127)

1. For a current member of the Armed Forces, an injury or illness incurred by the member in the line of duty on active duty, or that existed before the beginning of the member's active duty and was aggravated by the member's service in the line of duty while on active duty in the Armed Forces, and that may render the member medically unfit to perform the duties of the member's office, grade, rank, or rating.
2. For a veteran, an injury or illness incurred or aggravated by the member's service in the line of duty on active duty in the Armed Forces, including the National Guard or Reserves, that manifested itself before or after the member became a veteran and that is at least one of the following:
 - a. A continuation of a serious injury or illness incurred or aggravated while the veteran was a member of the Armed Forces and rendered him/her unable to perform the duties of his/her office, grade, rank, or rating
 - b. A physical or mental condition for which the veteran has received a U.S. Department of Veterans Affairs (VA) Service-Related Disability Rating of 50 percent or greater, based wholly or partly on that physical or mental condition
 - c. A physical or mental condition that substantially impairs the veteran's ability to secure or follow a substantially gainful occupation by reason of one or more disabilities related to his/her military service or that would do so but for treatment received by the veteran
 - d. An injury, including a psychological injury, on the basis of which the veteran has been enrolled in the VA's Program of Comprehensive Assistance for Family Caregivers

The employee shall provide reasonable and practicable notice of the need for the leave in accordance with the procedures in the section entitled "Request for Leave" above.

An employee requesting leave to care for a covered servicemember with a serious injury or illness shall provide the Superintendent or designee with certification from an authorized health care provider of the servicemember that contains the information specified in 29 CFR 825.310.

The leave may be taken intermittently or on a reduced work or leave schedule when medically necessary. An employee taking military caregiver leave in combination with other leaves pursuant to this administrative regulation shall be entitled to a combined total of 26 work weeks of leave during a single 12-month period. When both spouses work for the district and both wish to take such leave, the spouses are limited to a maximum combined total of 26 work weeks during a single 12-month period. (29 USC 2612)

During the period of military caregiver leave, the district's rule regarding an employee's use of his/her accrued vacation leave and other accrued paid or unpaid time off, as specified in the section "Use/Substitution of Paid Leave" above, shall apply.

Notifications

The Superintendent or designee shall provide the following notifications regarding state and federal law related to PDL or FMLA/CFRA leave:

1. **General Notice:** Information explaining the provisions of the FEHA/PDL and FMLA/CFRA and employee rights and obligations shall be posted in a conspicuous place on district premises, or electronically, and shall be included in employee handbooks. (2 CCR 11049, 11095; 29 USC 2619)

The general notice shall also explain an employee's obligation to provide the Superintendent or designee with at least 30 days notice of the need for the requested leave, when the need is reasonably foreseeable at least 30 days prior to the start of the leave. (2 CCR 11050, 11091)

(cf. 4112.9/4212.9/4312.9 - Employee Notifications)

2. **Eligibility Notice:** When an employee requests leave, including PDL, or when the Superintendent or designee acquires knowledge that an employee's leave may be for an FMLA/CFRA qualifying reason, the Superintendent or designee shall, within five business days, provide notification to the employee of his/her eligibility to take such leave. (2 CCR 11049, 11091; 29 CFR 825.300)

3. **Rights and Responsibilities Notice:** Each time the eligibility notice is provided to an employee, the Superintendent or designee shall provide written notification explaining the specific expectations and obligations of the employee, including any consequences for a failure to meet those obligations. Such notice shall include, as applicable: (29 CFR 825.300)

a. A statement that the leave may be designated and counted against the employee's annual FMLA/CFRA leave entitlement and the appropriate 12-month entitlement period, if qualifying

b. Any requirements for the employee to furnish medical certification of a serious health condition, serious injury or illness, or qualifying exigency arising out of active duty or call to active duty status and the consequences of failing to provide the certification

c. The employee's right to use paid leave, whether the district will require use of paid leave, conditions related to any use of paid leave, and the employee's entitlement to take unpaid leave if the employee does not meet the conditions for paid leave

d. Any requirements for the employee to make premium payments necessary to maintain health benefits, the arrangement for making such payments, and the possible consequences of failure to make payments on a timely basis

e. The employee's status as a "key employee" if applicable, potential consequence that restoration may be denied following the FMLA leave, and explanation of the conditions required for such denial

f. The employee's right to maintenance of benefits during the leave and restoration to the same or an equivalent job upon return from leave

g. The employee's potential liability for health insurance premiums paid by the district during the employee's unpaid FMLA leave should the employee not return to service after the leave

Any time the information provided in the above notice changes, the Superintendent or designee shall, within five business days of his/her receipt of an employee's first notice of need for leave, provide the employee with a written notice referencing the prior notice and describing any changes to the notice. (29 CFR 825.300)

4. Designation Notice: When the Superintendent or designee has information (e.g., sufficient medical certification) to determine whether the leave qualifies as FMLA/CFRA leave, he/she shall, within five business days, provide written notification designating the leave as FMLA/CFRA qualifying or, if the leave will not be so designated, the reason for that determination. (2 CCR 11091; 29 CFR 825.300)

If the amount of leave needed is known, the notice shall include the number of hours, days, or weeks that will be counted against the employee's FMLA/CFRA entitlement. If it is not possible to provide that number at the time of the designation notice, notification shall be provided of the amount of leave counted against the employee's entitlement upon request by the employee and at least once in every 30-day period if leave was taken in that period. (29 CFR 825.300)

If the district requires paid leave to be used during an otherwise unpaid family care and medical leave, the notice shall so specify. If the district requires an employee to present a release to return to work certification that addresses the employee's ability to perform the essential functions of the job, the notice shall also specify that requirement. (2 CCR 11091, 11097; 29 CFR 825.300)

Any time the information provided in the designation notice changes, the Superintendent or designee shall, within five business days, provide the employee with written notice referencing the prior notice and describing any changes to the notice. (29 CFR 825.300)

Records

The Superintendent or designee shall maintain records pertaining to an individual employee's use of family care and medical leave in accordance with law. (Government Code 12946; 29 USC 2616; 42 USC 2000ff-1; 29 CFR 825.500)

Administrative Regulation

Catastrophic Leave Program

AR 4161.9 4261.9, 4361.9

Personnel

When an employee or a member of his/her family experiences a catastrophic illness or injury which requires the employee to take time off from work for an extended period of time, and the employee has exhausted all available sick leave and other paid time off, he/she may request donations of accrued vacation or sick leave credits. (Education Code 44043.5)

In making such a request, the employee shall provide verification of the catastrophic injury or illness. (Education Code 44043.5)

Verification shall be made by means of a letter, dated and signed by the sick or injured person's physician, indicating the incapacitating nature and probable duration of the illness or injury.

Upon determination that the employee is unable to work due to his/her own or a family member's catastrophic illness or injury, any other employee, upon written notice to the Governing Board, may donate accrued vacation and/or sick leave credits to the requesting employee. Donations shall be at a minimum of eight hours, and in hour increments thereafter. (Education Code 44043.5)

To ensure that employees retain sufficient accrued sick leave to meet their own needs, donors shall not reduce their accumulated sick leave to fewer than 10 days.

All transfers of eligible leave credit shall be irrevocable. (Education Code 44043.5)

The Superintendent or designee shall ensure that all donations are confidential.

The employee who is the recipient of the donated leave credits shall use those credits within 12 consecutive months.

If donated credits are not used by the employee within 12 consecutive months, the credits shall be placed in a pool that will be available to the next eligible employee who requests catastrophic leave.

An employee who receives paid catastrophic leave shall use any leave credits that he/she continues to accrue on a monthly basis before receiving paid leave pursuant to this program. (Education Code 44043.5)
