Heavily Latino Neighborhoods

Latino eligible voters are particularly concentrated between Hwy 50 and the railroad, and then up to Lighthouse Dr.

To comply with the Federal Voting Rights Act requirements for districts, these neighborhoods must not be divided in a way that dilutes their voting strength.

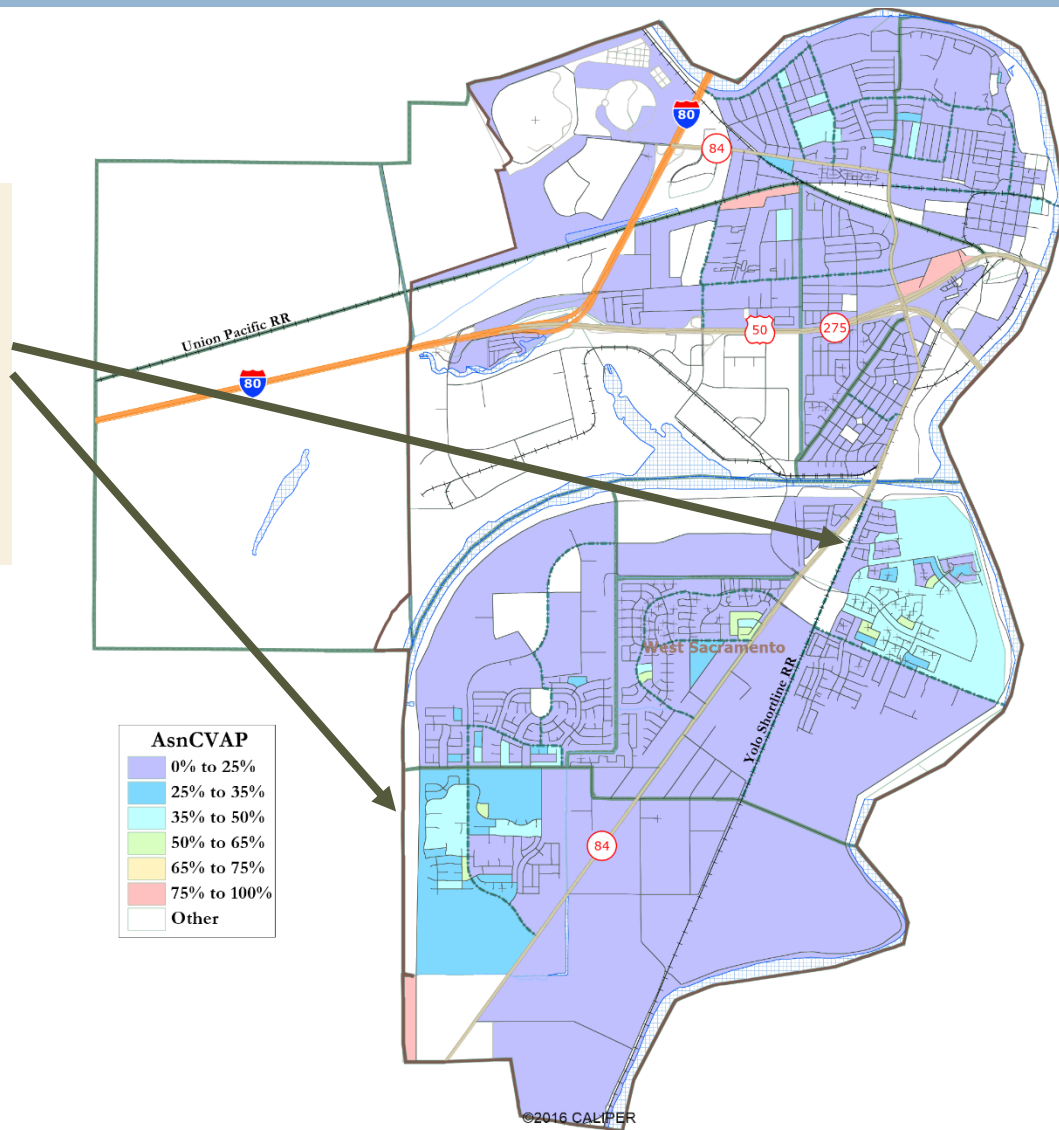

Latino% of CVAP

- 0% to 25%
- 25% to 35%
- 35% to 50%
- 50% to 65%
- 65% to 75%
- 75% to 100%
- No Population

Heavily Asian-American Neighborhoods
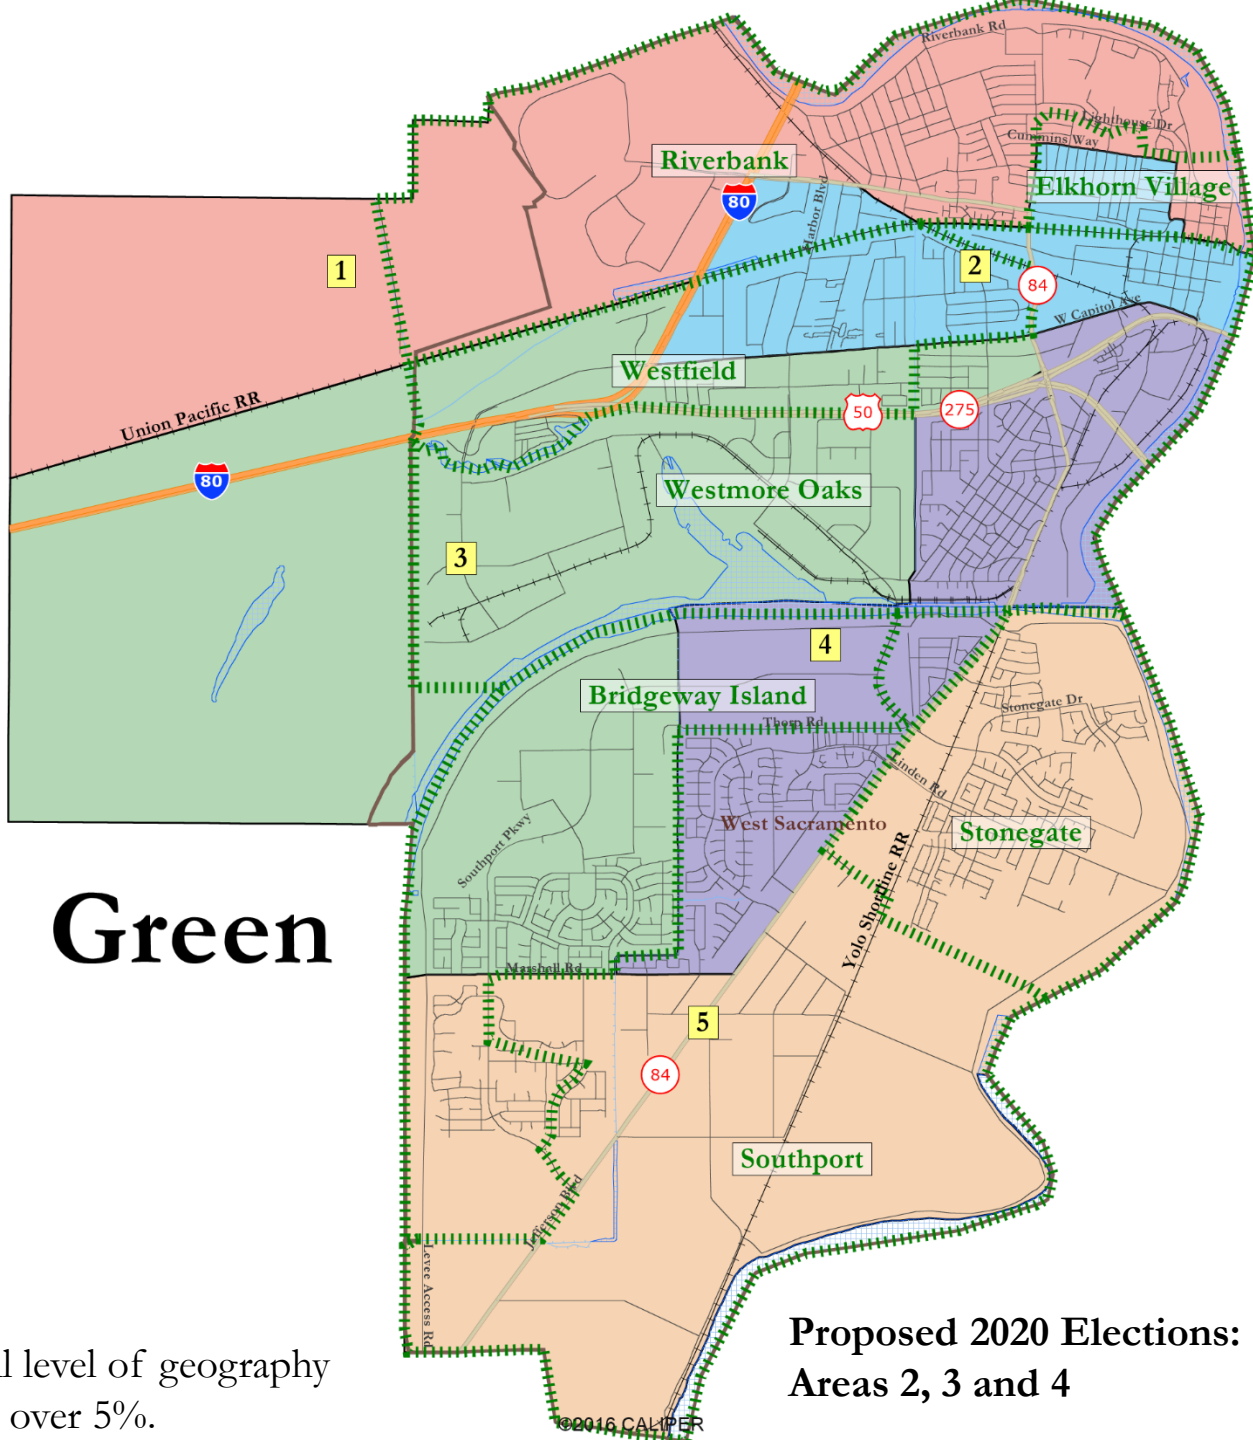

National Demographics Corporation

Asian-Americans are particularly concentrated in the east above Linden Rd and in the southwest below Marshall Rd.

To comply with the Federal Voting Rights Act requirements for districts, these neighborhoods must not be divided in a way that dilutes their voting strength.

Public Hearing & Discussion

1. Do you prefer your neighborhood be kept together in one district or have multiple representatives?

2. What map is best for your "community of interest" or neighborhood?

3. What do you like or dislike about each map?

4. Any suggested map changes or requests for revised maps?
