Administrative Support Professional Development

"the gateway to extraordinary possibilities"

PURPOSE OF MONTHLY PROFESSIONAL DEVELOPMENT SESSIONS Administrative Support Team

We believe that regular professional development with our administrative support staff will build our team's capacity to become reflective and adaptive educators; strengthen the partnership between the district, school sites, and families; and produce a culture of innovation responsive to the aspirations of our students and the needs of the communities we serve.

The professional development sessions will introduce and improve skills used to perform the administrative work you conduct each day. Sessions will be conducted using a variety of inclusive, participatory, and collaborative presentation modalities utilizing the current skill set and knowledge of our team of administrative support staff as well as both district and outside expertise.

• Agendas will include the following topics:

- ♦ CUSTOMER SERVICE
- ♦ STUDENT DATABASE
- ♦ ENROLLMENT PROCEDURES
- ♦ USE OF SOFTWARE
- ♦ TIME MANAGEMENT
- ♦ DISTRICT INITIATIVES
- ♦ REPORTING EXPECTATIONS
