

# PACT

## PRE-APPRENTICESHIP CONSTRUCTION TRAINING

PACT is a free Pre-Apprenticeship Construction Training program that prepares students for entry into the workforce. The training is taught by a journeyman-level carpenter with a Career Technical Education teaching credential. PACT staff will guide the students throughout the training with job placement assistance and guidance into apprenticeship/union careers.

### Skills taught in the classroom and on the job-site include:

- Construction Safety
- Measurements & Basic Blue-Print Reading
- Hand-Tool & Power-Tool Usage
- Enhanced Construction Math Skills
- Preparation For Apprentice Entry Exams
- Hands-On Construction Training
- On-site interviews with local employers

**Enrolling Now!**  
**Fall adult program begins 8/16/17 (M-F, 7-11am)**

**New Student Registration:**  
New students must register before starting the class.
