

# Open enrollment is coming soon

Washington Unified School District is pleased to have trained benefit advisors assist with this year's BenefitBridge enrollment. During the enrollment, please schedule your appointment to attend a quick, private and remote 1-to-1 session with a benefit advisor via phone or webinar. In that session, you'll discuss all of your current benefits as well as new and updated benefit options. Your benefit advisor will answer any questions you may have and offer you simple, straightforward advice as you sort through your choices.

## Don't forget

It is important that you schedule an enrollment session with a benefit advisor during the open enrollment period. This is your chance to learn more and make your benefits program work for you.

### Important features of Colonial Life's coverage:

- Benefits are paid directly to you, unless you specify otherwise, to use as you see fit.
- With most plans, you can continue coverage with no increase in premium when you retire or change jobs
- Most plans pay benefits regardless of any other insurance you may have with other companies.
- Most plans offer coverage for your spouse and dependent children.
