## Term life insurance / AD&D

### Protect the ones you love

Your employer makes it possible for you to protect your loved ones by offering you term life and accidental death and dismemberment (AD&D) insurance from Lincoln Financial Group. There are advantages to buying insurance that's offered to an employee group, including:

**Cost.** This coverage is offered at group rates, which are often less expensive than rates for individual policies.

**Convenience.** Payroll deduction is simple and easy if this coverage is funded by you, and your beneficiaries may choose to receive life insurance benefits via several convenient benefit payment options.

**Confidence.** You can choose quality coverage recommended by your employer.

### How much life insurance do you need?

Your life insurance policy pays cash to the person(s) you name as your beneficiary, to help them cope with the loss of your income after your death. How much will they need? Here are some issues to consider:

- Expenses
- Regular expenses
- Debts
- Education expenses for your family
- Final expenses

- Resources
- Savings
- Earnings
- Other life insurance

### Accidental death and dismemberment (AD&D) coverage

Your life insurance coverage is being offered with additional coverage for accidental death and dismemberment. This coverage pays a benefit if you die or lose your sight or a limb as a result of a covered accident. The basic benefit is called the "principal sum," and it is paid separately from any life insurance benefits.

If you suffer the accidental loss of a hand, foot, limb or eyesight, you receive half of the principal sum.

If you die in an accident, your beneficiaries receive the principal sum, plus life insurance benefits.
