## Volunteer Fingerprinting and TB Information

According to Education Code 45125.1 and AB 2102, fingerprint clearance is required for paid positions, for volunteer coaches, for field trips, and for any classroom assistance that will occur on a regular basis. Live Scan Fingerprinting for Criminal Record Clearance is at the volunteer's expense. The cost depends on the Live Scan facility and varies from \$42.00 to \$57.00. It is recommended that you call ahead to insure you take the proper method of payment and to make an appointment.

Please be advised that you may not volunteer until your fingerprint results have been received and your volunteer status approved. If you anticipate fingerprinting issues, it is recommended that you start your fingerprinting process earlier than six weeks. If you have any additional questions, please feel free to contact Alex Perez at (916) 375-7604 ext. 1045.
