

District-Wide Facilities Master Plan Staff

Summary: WUSD is in the process of creating a District-wide Facilities Master Plan (FMP) to develop a plan for current and future District School Facilities.

Objective: Gain input from staff, families, and community members regarding all District school sites (school facilities). Please give your input for all K-8 and high school sites.

How: 1) Survey: Links on the back of this page in English, Spanish, and Russian.

2) Input Workshops: Staff input meetings followed by community input meetings for each school site. Dates and locations listed below. Please see our webpage for translation and child services for the Community/Parent Input Workshops.

District-Wide Facilities Master Plan Staff and Community Input

Links to complete the online survey in Spanish, English and Russian are below. Please see the information regarding the Site Workshops on the opposite side.

The Facilities Master Plan can only reflect the needs of the students, staff, and community with your help! The survey will be available to complete until September 15, 2019.
