If you (and/or your dependents) have Medicare or you will become eligible for Medicare in the next 12 months, a Federal law gives you more choices about your prescription drug coverage. Please see page 33 for more details.

The information in this brochure is a general outline of the benefits offered under Washington USD's benefits program. Specific details and plan limitations are provided in the Summary Plan Descriptions (SPD), which is based on the official Plan Documents that may include policies, contracts and plan procedures. The SPD and Plan Documents contain all the specific provisions of the plans. In the event that the information in this brochure differs from the Plan Documents, the Plan Documents will prevail.

When You Can Enroll

New Hires/Newly Eligible for Benefits

Open Enrollment
During Open Enrollment you will have the opportunity to make changes to your benefit elections. You must enroll by the Open Enrollment deadline for your benefits to be effective January 1st. Except for a Change in Status, you will not be able to change your elections until the next year’s Open Enrollment.

Change in Status
If you have a Change in Status, you may be able to change your benefits before the next Open Enrollment. You must notify the Benefits Department within 30 days of the change.* If you meet the deadline, changes will be effective on the event date.

*Change in Status events include:
- Change in marital status
- Change in dependents
- Change in benefits eligibility for you, your spouse or dependent
- Change in employment for you, your spouse or dependent
- Change in work schedule for you or your spouse
- Gaining other coverage through your spouse
- Loss of other coverage for your dependent
- Change in residence causing loss of coverage
- Federal and state family medical leave, if qualified
- Medicare or Medicaid entitlement for you, your spouse or dependent
- Qualified Medical Child Support Order (QMCSO)

Contact the Benefits Department at 916.375.7604 Ext. 7 (Ext. 4001 if calling internally) for a complete explanation of qualifying family status change.
Eligible Employees and Early Retirees

WUSD employees can choose from various medical plans. The medical plans provide comprehensive coverage but are different in how they are designed. Review the benefit summaries featured to understand the differences between the plans. Medicare eligible Retirees receive vision benefits from Kaiser and Health Net.

You decide which plan best meets your needs

- **Certificated & Classified:**
  - Kaiser Permanente HMO – $20 office visit co-pay plan
  - Kaiser Permanente HMO HSA – HDHP #9835 plan
  - Western Health Advantage HMO – $20 office copay plan
  - Western Health Advantage HMO HSA – 1800/0 plan

When enrolling in an HMO, you must select a primary care physician who will manage your care and refer you to a specialist when it is needed. Most services are covered at a 100% after you pay a copayment.

Health Saving Account

Your HSA-compatible plan is a high deductible health plan (HDHP) that enables you, as a consumer, to manage your individual or family health care expenditures. This highly-rated plan provides you and your family medical services at lower premiums. Your HSA is the financial component (the account that holds your funds) providing a tax-free way to save and pay for qualified medical expenses. The combined strength of your HSA-compatible plan and the funds in your HSA provides you peace of mind about your current and future health care needs. This plan has been updated to include member maximums within family coverage. Please refer to pages 5 & 10 for the summary of benefits.

Superior Vision Plan

All eligible employees have two Superior Vision plans from which to choose. There is a base plan and buy-up plan option, and both offer comprehensive coverage through the Superior Vision National Network of providers. Superior Vision also offers a number of non-covered services at a discount.

Post-65 Retirees

(Must have Medicare Parts A & B and live within 30 miles of a Health Net HMO medical group or Kaiser Facility.)

You have the choice to select one plan from the following:

- Kaiser Permanente HMO Senior Advantage (California Only)
- Health Net HMO Seniority Plus (California Only)

*Copayments do not contribute to the out-of-pocket maximum (unless required for the management or treatment diabetes or pediatric asthma supplies and equipment). Percentage copayment amounts are based on WHA’s contracted rate.

WHA is pleased to announce that they are finalizing an agreement with UC Davis Medical Group (UCDMG) to bring them back into the network in 2020. However, due to delays with contract negotiations, there is the possibility that the contract with UCDMG will not be effective 1/1/20. The contract may be finalized within the first quarter of 2020, and WHA will be keeping the District updated throughout the process.

This notice is to advise you of the steps to be followed during this Open Enrollment period until we have confirmed when the UCDMG Contract will be effective.

**Choosing a PCP:**

The Benefit Bridge Open Enrollment system will provide the direct link to WHA’s provider directory to search for a PCP. Follow the prompts to select a PCP. **The UCDMG providers will not be showing on the website at this time.** If your current PCP is with either Mercy Medical Group, Hill Physicians Group, NorthBay Healthcare or Woodland Clinic Medical Group, you can simply find your PCP by name and enter both the PCP name and WHA Provider ID number into the Benefit Bridge system to continue coverage with your current doctor.

For those members currently with a UCDMG PCP, you will need to choose a PCP with Mercy, Hill, NorthBay or Woodland Clinic effective 1/1/20 until the UCDMG contract is in place. If by chance the UCDMG contract is not in place by 1/1/20, a Special Open Enrollment for employees to switch their PCP to UCDMG will be held once the network is in place.

**Continuity of Care:**

For those members that are currently in an ongoing care situation with either UCDMG or any other non-WHA provider you will be able to access continuity of care through WHA by completing the Continuity of Care form. **WHA will place special consideration when receiving the forms for Washington USD employees.**

**UC Davis Medical Group Enrollment Rules:**

UCDMG will only be offered on the Advantage 0/20/250 HMO plan through the CHOICE network and not on the Western 1800/0/0 HDHP plan. If you are considering selecting UCDMG for yourself or your dependents, you must enroll on the Advantage 250 HMO plan.

Members must choose a UCDMG provider during open enrollment only (when enrolling as a new employee or during a Special Open Enrollment) and **only members with a UCDMG primary care physician will have access to UCDMG specialists.** This means that if you or a family member is assigned to a PCP other than with UCDMG, a change to a UCDMG PCP and specialist, regardless of any current or new diagnosis, will not be allowed mid-year. **The only time you will be able to switch is at open enrollment, new employee enrollment or Special open enrollment period.**

**Employee Premiums:**

WHA will not be billing the District for the rate that includes the UCDMG network until the contract is in place.

Dental

Delta Dental pays 70% for Diagnostic, Preventive, Basic, Crowns, Inlays, Onlays, and Cast Restoration benefits during the first calendar year of your eligibility. The coinsurance increases 10% each year you visit a dentist until you reach 100%. If you do not visit the dentist and the plan is not used, the coinsurance will not increase. The coinsurance will drop back to 70% if you lose eligibility and then become eligible again.

HSA Basics
A health savings account (HSA) is a tax-advantaged checking account that gives you the ability to save for future medical expenses or pay current ones. It is individually owned; however, you may elect to designate an authorized signer who may also withdraw funds and be issued a debit card.

HSA Eligibility
To be eligible to make deposits to an HSA, the account holder:
- Must be currently enrolled in an HSA-qualified health plan
- May not be enrolled in any other non-HSA qualified health plan
- May not have, or be eligible to use, a general purpose flexible spending account (FSA)
- Cannot be claimed as a dependent on another person’s tax return
- May not be enrolled in Medicare, Medicaid or Tricare
- Must not have used VA medical benefits in the past three months, with the exception of preventative services or treatment for a service-connected disability

Contributions to your HSA
The annual maximum allowable contributions to an HSA, as established by the IRS, for 2020 are $3,550: Individual and $7,100: Family.

Individuals 55 and older can make an additional catch-up contribution of $1,000 in 2020. A married couple can make two catch-up contributions if both spouses are eligible. The spouses must deposit the catch-up contributions into separate accounts.

Portability
You can take 100% of the deposited funds with you when you retire or change employers. You are the account owner.

Flexibility
You can choose whether to spend the money on current medical expenses, or you can save your money for future use. Unused funds remain in the account from year to year and there is no “use it or lose it” provision.

Tax Savings
Contributions are tax free (pre-tax through payroll deductions or tax deductible). Earnings are tax free. Funds withdrawn for eligible medical expenses are tax free.

Premium Savings
An HSA-qualified insurance plan tends to be less expensive than a traditional insurance plan.

Distributions from your HSA
- You, or an authorized signer, can make withdrawals (or distributions) for qualified expenses.
- Distributions from your HSA can be made by check, debit card, ATM, online bill payment or by in-person request.
- Distributions for qualified medical expenses are tax free.
- Distributions made for anything other than qualified medical expenses are subject to IRS tax plus a 20% penalty. The penalty is waived if the account owner is 65 or older, or due to death or disability.
- Qualified medical expenses for your spouse and your tax dependents may be paid from your HSA, even if those individuals are not covered under your high-deductible health plan (HDHP).
- You’re responsible for keeping receipts for all distributions from your HSA. The bank does not monitor how the funds are spent.
To be a qualified medical expense, the expense has to be primarily for the diagnosis, cure, mitigation, treatment or prevention of disease. It must be to alleviate or prevent a physical or mental defect or illness. These expenses may or may not apply to your insurance deductible depending on the coverage provided by your medical plan.

Vision and dental expenses, such as glasses, contact lenses, eye exams, dental cleanings and orthodontia are all allowable expenses from your HSA. Medical supplies such as Band-Aids, crutches, test strips and even contact solution are allowable.

Insurance premiums are allowable only under the following circumstances: while receiving federal or state unemployment benefits, COBRA premiums, qualified long-term care insurance premiums and Medicare and other health care premiums after age 65 (with the exception of Medicare supplement policies such as Medigap).

Investment accounts are not obligations of Old National Bank or Devenir, are not guaranteed, and not insured by any federal government agency.
You receive a medical bill or are paying for a prescription at the pharmacy and you want to use funds from your HSA. Pay using your HSA debit card, HSA checks or through online bill pay.

You’re at the pharmacy and realize you don’t have your HSA debit card, checks, or you don’t have enough funds in your Health Savings Account. Pay for the purchase with personal funds and later reimburse yourself using one of the “Options for Paying Yourself Back from Your HSA” listed at left.

You’re faced with a medical emergency and do not have enough in your HSA to cover your portion of the hospital bill. **OPTION 1:** Ask provider to set up a payment plan. As funds are deposited into your HSA make payments to the provider using your HSA debit card, online bill pay or checks. **OPTION 2:** Pay with another personal checking account, savings account or credit card. Reimburse yourself as funds accumulate in your HSA. Many providers will agree to offer a discount for paying the bill in full.

You’re required to pay for treatment at the time of service. Later you receive a reimbursement check from the provider. **OPTION 1:** Cash the check and pay for other eligible medical expenses and save those receipts. **OPTION 2:** Mail the check to Old National Bank for deposit to your HSA noting it is a REIMBURSEMENT DEPOSIT.

You purchase groceries and a prescription. How should you handle the transaction? **OPTION 1:** Pay for the groceries separately and use your HSA debit card or checks for the prescription only. **OPTION 2:** Pay for everything with non-HSA funds and later reimburse yourself for the medical portion.

### HSAs at Tax Time
- You’ll receive Form 1099 SA for your distribution total and Form 5498 SA for your contribution total for the previous year. These figures are reported to the IRS and you are required to report them on IRS Form 8889 when filing your federal taxes. See IRS Publication 969 or consult your tax advisor for further information.
- You may make contributions to your HSA for the previous calendar year up to the tax filing deadline, which is normally April 15. If you make prior year deposits, you will receive an updated Form 5498 SA in May with your complete contribution total to keep with your tax records.

**Prior Year Deposits:** Prior year contributions should be clearly communicated to bank personnel. If mailing a deposit, be sure to note it is for the prior year. Deposits made at an ATM machine, remote deposit using your mobile phone, electronic transfers made using any method or those that are not specifically communicated to bank personnel will automatically be processed as a current year contribution.

### Insurance Coverage Changes
- If you start an HSA-qualified health plan mid-year, you may contribute the full annual maximum to your HSA. However, a testing rule applies to those that start an HDHP any time other than January 1st. Per the IRS, you must remain an HSA-eligible individual through December 31st of the next calendar year. If you’re not sure you’ll remain on the plan, you may want to pro-rate your contribution amount in order to avoid having the excess added to your gross income and an additional 10% tax on that amount.
- If your insurance coverage changes from individual to family mid-year, you’re eligible for the full family contribution limit for that calendar year.
- If your insurance coverage changes from family to individual mid-year, your contribution limit will need to be prorated according to how many months you were on each type of insurance coverage.

### Options for Paying Yourself Back from Your HSA
*For qualified medical expenses paid with non-HSA funds*

1. Use free Online Bill Pay to request a check be sent to you.
2. Use free Online Account to Account Transfer to transfer funds between accounts at other financial institutions and your HSA.
3. Write an HSA check to yourself.
4. Visit an Old National Bank Branch or ATM to make a withdrawal. There is no fee for withdrawals at an ONB Branch or ATM. See our Branch/ATM locator feature at theHSAauthority.com.†
5. Complete and submit a Withdrawal Authorization Form found under Forms at theHSAauthority.com.

†Foreign ATM fees may apply

Once you’ve opened your account, you’ll receive your debit card in the mail.

**Flexible Spending Accounts (FSA)**

**Navia Benefit Solutions FSA**

All eligible full-time employees have the option of participating in our Navia Flexible Spending Accounts for medical and dependent care reimbursement. Flexible spending accounts, under Section 125 of the Internal Revenue Service, allow employees to set aside pre-tax dollars to pay for out-of-pocket, eligible health care and dependent care expenses, as well as your contributions for dependent medical, dental, and vision premiums.

**Health Care**

Your health care account may not exceed $2,750 each plan year per household.

Flexible Spending Accounts utilize the “Use it or Lose It” rule, which means all medical services for reimbursement must occur between January 1, 2020 and December 31, 2020.

**Dependent Care**

Your dependent care account may not exceed $5,000 each calendar year per household ($2,500 if married and filing separately).

All Dependent Day Care expenses must be incurred between January 1, 2020 and December 31, 2020.

**“Use-It-or-Lose-It” Rule**

All claims MUST be submitted no later than March 31, 2021 (90 days from the end of plan year) for reimbursement. Any funds left unclaimed on March 31, 2021 will be forfeited. Washington Unified School District has elected to offer a $500 rollover option, which will allow you to roll over up to $500 of unused contributions into the next plan year. Be conservative when making elections.
Important Notices

Newborns’ and Mothers’ Health Protection Act (NMHPA)

Benefits for pregnancy hospital stay (for delivery) for a mother and her newborn generally may not be restricted to less than 48 hours following a vaginal delivery or 96 hours following a cesarean section. Also, any utilization review requirements for inpatient hospital admissions will not apply for this minimum length of stay and early discharge is only permitted if the attending health care provider, in consultation with the mother, decides an earlier discharge is appropriate.

Women’s Health and Cancer Rights Act (WHCRA) Annual Notice

Your plan, as required by the Women’s Health and Cancer Rights Act of 1998, provides benefits for mastectomy-related services including all stages of reconstruction and surgery to achieve symmetry between the breasts, prostheses, and complications resulting from a mastectomy, including lymphedema. For more information, you should review the Summary Plan Description or call your Plan Administrator at 916.375.7604 ext. 7 (ext. 4001 if calling internally) for more information.

Patient Protections

The medical plan requires the designation of a primary care provider. You have the right to designate any primary care provider who participates in our network and who is available to accept you or your family members. Until you make this designation, the plan will designate one for you. For information on how to select a primary care provider, and for a list of the participating primary care providers, please contact your carrier.

For children, you may designate a pediatrician as the primary care provider.

You do not need prior authorization from the plan or from any other person (including a primary care provider) in order to obtain access to obstetrical or gynecological care from a health care professional in our network who specializes in obstetrics or gynecology. The health care professional, however, may be required to comply with certain procedures, including obtaining prior authorization for certain services, following a pre-approved treatment plan, or procedures for making referrals. For a list of participating health care professionals who specialize in obstetrics or gynecology, please contact your carrier.

Networks/Claims/Appeals

The major medical plans described in this booklet have provider networks with Kaiser Permanente and Western Health Advantage. The listing of provider networks will be available to you automatically and free of charge. A list of network providers can be accessed immediately by using the Internet address found in the Summary of Benefits and Coverage that relates to the Plan. You have a right to appeal denials of claims, and a right to a response within a reasonable amount of time. Claims that are not submitted within a reasonable time may be denied. Please review your Summary Plan Description or contact the Plan Administrator for more details.

Notice of Extended Coverage to Children Covered as Students

“Michelle’s Law” generally extends eligibility for group health benefit plan coverage to a dependent child who, as a condition of coverage, is enrolled in an institution of higher education. Please review the following information with respect to your dependent child’s rights in the event student status is lost.

Michelle’s Law requires the Plan to allow extended eligibility in some cases for a covered child who would lose eligibility for Plan coverage due to loss of full-time student status.

There are two definitions that are important for purposes of determining whether the Michelle’s Law extension of eligibility applies to a particular child:

- **Dependent child** means a child of a plan participant who is eligible under the terms of the Plan based on their student status and enrollment at a post-secondary educational institution immediately before the first day of a medically necessary leave of absence.
- **Medically necessary leave of absence** means a leave of absence or any other change in enrollment:
  - Of a dependent child from a post-secondary educational institution that begins while the child is suffering from a serious illness or injury;
  - Which is medically necessary; and,
  - Which causes the dependent child to lose student status under the terms of the Plan.

The dependent child’s treating physician must provide written certification of medical necessity (i.e., certification that the dependent child suffers from a serious illness or injury that necessitates the leave of absence or other enrollment change that would otherwise cause loss of eligibility).
If a dependent child qualifies for the Michelle’s Law extension of eligibility, the Plan will treat the dependent child as eligible for coverage until the earlier of:

- One year after the first day of the leave of absence; or
- The date that Plan coverage would otherwise terminate (for reasons other than failure to be a full-time student).

A dependent child on a medically necessary leave of absence is entitled to receive the same Plan benefits as other dependent children covered under the Plan. Further, any change to Plan coverage that occurs during the Michelle’s Law extension of eligibility will apply to the dependent child to the same extent as it applies to other dependent children covered under the Plan.

**COBRA Continuation Coverage**

This notice has important information about your right to COBRA continuation coverage, which is a temporary extension of coverage under the Plan. This notice explains COBRA continuation coverage, when it may become available to you and your family, and what you need to do to protect your right to get it. When you become eligible for COBRA, you may also become eligible for other coverage options that may cost less than COBRA continuation coverage.

The right to COBRA continuation coverage was created by federal law, the Consolidated Omnibus Budget Reconciliation Act of 1985 (COBRA). COBRA continuation coverage can become available to you and other members of your family when group health coverage would otherwise end. For more information about your rights and obligations under the Plan and under federal law, you should review the Plan’s Summary Plan Description or contact the Plan Administrator.

You may have other options available to you when you lose group health coverage. For example, you may be eligible to buy an individual plan through the Health Insurance Marketplace. By enrolling in coverage through the Marketplace, you may qualify for lower costs on your monthly premiums and lower out-of-pocket costs. Additionally, you may qualify for a 30-day special enrollment period for another group health plan for which you are eligible (such as a spouse’s plan), even if that plan generally does not accept late enrollees.

**WHAT IS COBRA CONTINUATION COVERAGE?**

COBRA continuation coverage is a continuation of Plan coverage when it would otherwise end because of a life event. This is also called a “Qualifying Event.” Specific Qualifying Events are listed later in this notice. After a Qualifying Event, COBRA continuation coverage must be offered to each person who is a “Qualified Beneficiary.” You, your spouse, and your dependent children could become Qualified Beneficiaries if coverage under the Plan is lost because of the Qualifying Event. Under the Plan, Qualified Beneficiaries who elect COBRA continuation coverage must pay for COBRA continuation coverage.

If you are an employee, you will become a Qualified Beneficiary if you lose coverage under the Plan because of the following Qualifying Events:

- Your hours of employment are reduced, or
- Your employment ends for any reason other than your gross misconduct.

If you are the spouse of an employee, you will become a Qualified Beneficiary if you lose your coverage under the Plan because of the following Qualifying Events:

- Your spouse dies;
- Your spouse’s hours of employment are reduced;
- Your spouse’s employment ends for any reason other than his or her gross misconduct;
- Your spouse becomes entitled to Medicare benefits (under Part A, Part B, or both); or,
- You become divorced or legally separated from your spouse.

Your dependent children will become Qualified Beneficiaries if they lose coverage under the Plan because of the following Qualifying Events:

- The parent-employee dies;
- The parent-employee’s employment ends for any reason other than his or her gross misconduct;
- The parent-employee becomes entitled to Medicare benefits (Part A, Part B, or both); or
- The parents become divorced or legally separated; or
- The child stops being eligible for coverage under the Plan as a “dependent child.”

**WHEN IS COBRA CONTINUATION COVERAGE AVAILABLE?**

The Plan will offer COBRA continuation coverage to Qualified Beneficiaries only after the Plan Administrator has been notified that a Qualifying Event has occurred. The employer must notify the Plan Administrator of the following Qualifying Events:

- The end of employment or reduction of hours of employment;
- Death of the employee; or,
- The employee’s becoming entitled to Medicare benefits (under Part A, Part B, or both).
Important Notices (continued)

For all other Qualifying Events (e.g., divorce or legal separation of the employee and spouse, or a dependent child’s losing eligibility for coverage as a dependent child, etc.), you must notify the Plan Administrator within 60 days after the Qualifying Event occurs. You must provide this notice to your employer.

Life insurance, accidental death and dismemberment benefits, and weekly income or long-term disability benefits (if part of the employer’s plan), are not eligible for continuation under COBRA.

NOTICE AND ELECTION PROCEDURES

Each type of notice or election to be provided by a covered employee or a Qualified Beneficiary under this COBRA Continuation Coverage Section must be in writing, must be signed and dated, and must be mailed or hand-delivered to the Plan Administrator, properly addressed, no later than the date specified in the election form, and properly addressed to the Plan Administrator.

Each notice must include all of the following items: the covered employee’s full name, address, phone number and Social Security Number; the full name, address, phone number and Social Security Number of each affected dependent, as well as the dependent’s relationship to the covered employee; a description of the Qualifying Event or disability determination that has occurred; the date the Qualifying Event or disability determination occurred; a copy of the Social Security Administration’s written disability determination, if applicable; and the name of this Plan. The Plan Administrator may establish specific forms that must be used to provide a notice or election.

ELECTION AND ELECTION PERIOD

COBRA continuation coverage may be elected during the period beginning on the date Plan coverage would otherwise terminate due to a Qualifying Event and ending on the later of the following: (1) 60 days after coverage ends due to a Qualifying Event, or (2) 60 days after the notice of the COBRA continuation coverage rights is provided to the Qualified Beneficiary.

If, during the election period, a Qualified Beneficiary waives COBRA continuation coverage rights, the waiver can be revoked at any time before the end of the election period. Revocation of the waiver will be an election of COBRA continuation coverage. However, if a waiver is revoked, coverage need not be provided retroactively (that is, from the date of the loss of coverage until the waiver is revoked). Waivers and revocations of waivers are considered to be made on the date they are sent to the employer or Plan Administrator.

HOW IS COBRA CONTINUATION COVERAGE PROVIDED?

Once the Plan Administrator receives notice that a Qualifying Event has occurred, COBRA continuation coverage will be offered to each of the Qualified Beneficiaries. Each Qualified Beneficiary will have an independent right to elect COBRA continuation coverage. Covered employees may elect COBRA continuation coverage on behalf of their spouses, and parents may elect COBRA continuation on behalf of their dependent children.

COBRA continuation coverage is a temporary continuation of coverage that generally lasts for 18 months due to employment termination or reduction of hours of work. Certain Qualifying Events, or a second Qualifying Event during the initial period of coverage, may permit a beneficiary to receive a maximum of 36 months of coverage.

DISABILITY EXTENSION OF THE 18-MONTH PERIOD OF COBRA CONTINUATION COVERAGE

If you or anyone in your family covered under the Plan is determined by Social Security to be disabled and you notify the Plan Administrator in a timely fashion, you and your entire family may be entitled to get up to an additional 11 months of COBRA continuation coverage, for a maximum of 29 months. This disability would have to have started at some time before the 60th day of COBRA continuation coverage and must last at least until the end of the 18-month period of COBRA continuation coverage.

SECOND QUALIFYING EVENT EXTENSION OF 18-MONTH PERIOD OF COBRA CONTINUATION COVERAGE

If your family experiences another Qualifying Event during the 18 months of COBRA continuation of coverage, the spouse and dependent children in your family can get up to 18 additional months of COBRA continuation of coverage, for a maximum of 36 months, if the Plan is properly notified about the second Qualifying Event. This extension may be available to the spouse and any dependent children receiving COBRA continuation of coverage if the employee or former employee dies; becomes entitled to Medicare (Part A, Part B, or both); gets divorced or legally separated; or if the dependent child stops being eligible under the Plan as a dependent child. This extension is only available if the second Qualifying Event would have caused the spouse or the dependent child to lose coverage under the Plan had the first Qualifying Event not occurred.
Important Notices (continued)

OTHER OPTIONS BESIDES COBRA CONTINUATION COVERAGE

Instead of enrolling in COBRA continuation coverage, there may be other coverage options for you and your family through the Health Insurance Marketplace, Medicaid, or other group health plan coverage options (such as a spouse’s plan) through what is called a “special enrollment period.” Some of these options may cost less than COBRA continuation coverage. You can learn more about many of these options at www.healthcare.gov.

IF YOU HAVE QUESTIONS

For more information about the Marketplace, visit www.healthcare.gov.

The U.S. Department of Health and Human Services (HHS), through the Centers for Medicare & Medicaid Services (CMS), has jurisdiction with respect to the COBRA continuation coverage requirements of the Public Health Service Act (PHSA) that apply to state and local government employers, including counties, municipalities, public school districts, and the group health plans that they sponsor (Public Sector COBRA). COBRA can be a daunting and complex area of federal law. If you have any questions or issues regarding Public Sector COBRA, you may contact the Plan Administrator or email HHS at phig@cms.hhs.gov.

KEEP YOUR PLAN INFORMED OF ADDRESS CHANGES

To protect your family’s rights, let the Plan Administrator know about any changes in the addresses of family members. You should also keep a copy, for your records, of any notices you send to the Plan Administrator.

EFFECTIVE DATE OF COVERAGE

COBRA continuation coverage, if elected within the period allowed for such election, is effective retroactively to the date coverage would otherwise have terminated due to the Qualifying Event, and the Qualified Beneficiary will be charged for coverage in this retroactive period.

COST OF CONTINUATION COVERAGE

The cost of COBRA continuation coverage will not exceed 102% of the Plan’s full cost of coverage during the same period for similarly situated non-COBRA beneficiaries to whom a Qualifying Event has not occurred. The “full cost” includes any part of the cost which is paid by the employer for non-COBRA beneficiaries.

The initial payment must be made within 45 days after the date of the COBRA election by the Qualified Beneficiary. Payment must cover the period of coverage from the date of the COBRA election retroactive to the date of loss of coverage due to the Qualifying Event (or date a COBRA waiver was revoked, if applicable). The first and subsequent payments must be submitted and made payable to the Plan Administrator or COBRA Administrator. Payments for successive periods of coverage are due on the first of each month thereafter, with a 30-day grace period allowed for payment. Where an employee organization or any other entity that provides Plan benefits on behalf of the Plan Administrator permits a billing grace period greater than the 30 days stated above, such period shall apply in lieu of the 30 days. Payment is considered to be made on the date it is sent to the Plan or Plan Administrator.

The Plan will allow the payment for COBRA continuation coverage to be made in monthly installments, but the Plan can also allow for payment at other intervals. The Plan is not obligated to send monthly premium notices.

The Plan will notify the Qualified Beneficiary, in writing, of any termination of COBRA coverage based on the criteria stated in this Section that occurs prior to the end of the Qualified Beneficiary’s applicable maximum coverage period. Notice will be given within 30 days of the Plan’s decision to terminate.

Such notice shall include the reason that continuation coverage has terminated earlier than the end of the maximum coverage period for such Qualifying Event and the date of termination of continuation coverage.

See the Summary Plan Description or contact the Plan Administrator for more information.

Medicare Part D – Important Notice

About Your Prescription Drug Coverage

and Medicare

Please read this notice carefully and keep it where you can find it. This notice has information about your current prescription drug coverage with Washington Unified School District and about your options under Medicare’s prescription drug coverage. This information can help you decide whether or not you want to join a Medicare drug plan. If you are considering joining, you should compare your current coverage, including which drugs are covered at what cost, with the coverage and costs of the plans offering Medicare prescription drug coverage in your area. Information about where you can get help to make decisions about your prescription drug coverage is at the end of this notice.

There are two important things you need to know about your current coverage and Medicare’s prescription drug coverage:

- Medicare prescription drug coverage became available in 2006 to everyone with Medicare. You can get this coverage if you join a Medicare Prescription Drug Plan or join a Medicare Advantage Plan (like an HMO or PPO) that offers prescription drug coverage. All Medicare drug plans provide at least a standard level of coverage set by Medicare. Some plans may also offer more coverage for a higher monthly premium.
- Washington Unified School District has determined that the prescription drug coverage offered by Washington Unified School District Medical Plan is, on average for all plan participants, expected to pay out as much as standard Medicare prescription drug coverage pays and is therefore considered Creditable Coverage. Because your existing coverage is Creditable Coverage, you can keep this coverage and not pay a higher premium (a penalty) if you later decide to join a Medicare drug plan.

WHEN CAN YOU JOIN A MEDICARE DRUG PLAN?

You can join a Medicare drug plan when you first become eligible for Medicare and each year from October 15th to December 7th.

However, if you lose your current creditable prescription drug coverage, through no fault of your own, you will also be eligible for a two (2) month Special Enrollment Period (SEP) to join a Medicare drug plan.
WHAT HAPPENS TO YOUR CURRENT COVERAGE IF YOU DECIDE TO JOIN A MEDICARE DRUG PLAN?

If you decide to join a Medicare drug plan, your current Washington Unified School District coverage will not be affected. If you keep this coverage and elect Medicare, the Washington Unified School District coverage will coordinate with Part D coverage.

If you do decide to join a Medicare drug plan and drop your current Washington Unified School District coverage, be aware that you and your dependents will be able to get this coverage back.

WHEN WILL YOU PAY A HIGHER PREMIUM (PENALTY) TO JOIN A MEDICARE DRUG PLAN?

You should also know that if you drop or lose your current coverage with Washington Unified School District and don’t join a Medicare drug plan within 63 continuous days after your current coverage ends, you may pay a higher premium (a penalty) to join a Medicare drug plan later.

If you go 63 continuous days or longer without creditable prescription drug coverage, your monthly premium may go up by at least 1% of the Medicare base beneficiary premium per month for every month that you did not have that coverage. For example, if you go nineteen months without Creditable Coverage, your premium may consistently be at least 19% higher than the Medicare base beneficiary premium. You may have to pay this higher premium (i.e., a penalty) as long as you have Medicare prescription drug coverage. In addition, you may have to wait until the following October to join.

FOR MORE INFORMATION ABOUT THIS NOTICE OR YOUR CURRENT PRESCRIPTION DRUG COVERAGE

Contact the person listed below for further information. NOTE: You will get this notice each year. You will also get it before the next period you can join a Medicare drug plan, and if this coverage through Washington Unified School District changes. You also may request a copy of this notice at any time.

FOR MORE INFORMATION ABOUT YOUR OPTIONS UNDER MEDICARE PRESCRIPTION DRUG COVERAGE

More detailed information about Medicare plans that offer prescription drug coverage is in the “Medicare & You” handbook. You will get a copy of the handbook in the mail every year from Medicare. You may also be contacted directly by Medicare drug plans.

FOR MORE INFORMATION ABOUT MEDICARE PRESCRIPTION DRUG COVERAGE

- Visit www.medicare.gov
- Call your State Health Insurance Assistance Program (see your copy of the Medicare & You handbook for their telephone number) for personalized help.
- Call 800.MEDICARE (800.633.4227). TTY users should call 877.486.2048.

If you have limited income and resources, extra help paying for Medicare prescription drug coverage is available. For information about this extra help, visit Social Security on the web at www.socialsecurity.gov, or call them at 800.772.1213 (TTY 800.325.0778).

REMEMBER

Keep this Creditable Coverage notice. If you decide to join one of the Medicare drug plans, you may be required to provide a copy of this notice when you join to show whether or not you have maintained Creditable Coverage and, therefore, whether or not you are required to pay a higher premium (a penalty).

Health Insurance Marketplace Coverage Options and Your Health Coverage

PART A: GENERAL INFORMATION

This notice provides you with information about Washington Unified School District in the event you wish to apply for coverage on the Health Insurance Marketplace. All the information you need from Human Resources is listed in this notice. If you wish to have someone assist you in the application process or have questions about subsidies that you may be eligible to receive, (for California residents only) you can contact KeenanDirect at 855.653.3626 or at www.KeenanDirect.com, or (for everyone) contact the Health Insurance Marketplace directly at www.Healthcare.gov.

WHAT IS THE HEALTH INSURANCE MARKETPLACE?

The Marketplace offers “one-stop shopping” to find and compare private health insurance options. You may also be eligible for a tax credit that lowers your monthly premium right away. Open Enrollment for health insurance coverage through Covered California is anticipated to begin November 1, 2019 and end on the following January 31. Open Enrollment for most other states will begin on November 1 and close on December 15 of each year.

CAN I SAVE MONEY ON MY HEALTH INSURANCE PREMIUMS IN THE MARKETPLACE?

You may qualify to save money and lower your monthly premium, but only if your employer does not offer you coverage, offers medical coverage that is not “Affordable,” or does not provide “Minimum Value.” If the lowest cost plan from your employer that would cover you (and not any other members of your family) is more than 9.78% (for 2020) of your household income for the year, then that coverage is not Affordable. Moreover, if the medical coverage offered covers less than 60% of the benefits costs, then the plan does not provide Minimum Value.

DOES EMPLOYER HEALTH COVERAGE AFFECT ELIGIBILITY FOR PREMIUM SAVINGS THROUGH THE MARKETPLACE?

Yes. If you have an offer of medical coverage from your employer that is both Affordable and provides Minimum Value, you will not be eligible for a tax credit through the Marketplace and may wish to enroll in your employer’s medical plan.

Note: If you purchase a health plan through the Marketplace instead of accepting health coverage offered by your employer, then you may lose the employer contribution (if any) to the employer-offered medical coverage. Also, this employer contribution, as well as your employee contribution to employer-offered coverage, is often excluded from income for federal and state income tax purposes. Your payments for coverage through the Marketplace are made on an after-tax basis.

PART B: EXCHANGE APPLICATION INFORMATION

In the event you wish to apply for coverage on the Exchange, all the information you need from Human Resources is listed below. If you are located in California and wish to have someone assist you in the application process or have questions about subsidies that you may be eligible to receive, you can contact KeenanDirect at 855.653.3626 or at www.KeenanDirect.com.

Premium Assistance Under Medicaid and the Children's Health Insurance Program (CHIP)

If you or your children are eligible for Medicaid or CHIP and you're eligible for health coverage from your employer, your State may have a premium assistance program that can help pay for coverage, using funds from their Medicaid or CHIP programs. If you or your children aren't eligible for Medicaid or CHIP, you won't be eligible for these premium assistance programs, but you may be able to buy individual insurance coverage through the Health Insurance Marketplace. For more information, visit www.healthcare.gov.

If you or your dependents are already enrolled in Medicaid or CHIP and you live in a State listed below, contact your State Medicaid or CHIP office to find out if premium assistance is available.

If you or your dependents are NOT currently enrolled in Medicaid or CHIP, and you think you or any of your dependents might be eligible for either of these programs, contact your State Medicaid or CHIP office or dial 877.KIDS.NOW or www.insurekidsnow.gov to find out how to apply. If you qualify, ask your State if it has a program that might help you pay the premiums for an employer-sponsored plan.

If you or your dependents are eligible for premium assistance under Medicaid or CHIP, as well as eligible under your employer plan, your employer must allow you to enroll in your employer plan if you aren't already enrolled. This is called a “special enrollment” opportunity, and you must request coverage within 60 days of being determined eligible for premium assistance. If you have questions about enrolling in your employer plan, contact the Department of Labor at www.askebsa.dol.gov or call 866.444.EBSA (3272).

If you live in one of the following States, you may be eligible for assistance paying your employer health plan premiums. The following list of states is current as of July 31, 2019. Contact your State for more information on eligibility.
